The United States Football League, 1982-1986 Paul Reeths,2017-04-17 One of the most ambitious and short lived endeavors in professional sports history the United States Football League was founded in 1982. Premiering with a spring schedule and an abundance of talent that included top rookies and National Football League veterans the USFL gained national attention with broadcast and cable television contracts controversial player signings ownership battles and an unsuccessful billion dollar lawsuit against the NFL. The USFL folded after four years yet represented the last major challenge to America's big four sports leagues the NFL the National Basketball Association the National Hockey League and Major League Baseball. USA Today Index ,1996

Women's American Football Russ Crawford,2022-11 Tackle football has been primarily viewed as a male sport but at a time when men's participation rates are decreasing an increasing number of women are entering the gridiron and they have a long history of doing so. Women's American Football is a narrative history of girls and women participating in American football in the United States since the 1920s when a women's team played at halftime during an early NFL game. The women's game became more organized in 1974 when the National Women's Football League was established with notable teams such as the Dallas Bluebonnets Toledo Troopers Oklahoma City Dolls and Detroit Demons. Today there are two main professional leagues in the United States the Women's Football Alliance with nearly seventy teams and the Women's National Football Conference with eighteen in addition to a number of smaller leagues. The National Association of Intercollegiate Athletics and the NFL have recently begun sponsoring flag football teams at the college level and the game is growing for high school girls as well. In 2021 more than two thousand girls played on mostly boys teams and there are currently four all girls leagues in the United States and Canada in Manitoba Utah Indiana and New Brunswick. In addition to the rapid growth of women playing football there have been advancements in other areas of the game. Beginning with Jennifer Welter in 2015 several women have earned positions coaching the professional game. In 2020 ESPN aired Born to Play a documentary on the Boston Renegades the 2019 champion of the Women's Football Alliance. Based on extensive interviews with women players and focusing closely on leagues teams and athletes since the passage of Title IX in 1972 Russ Crawford illuminates the rich history of the women who have played football breaking barriers on and off the field
