Streaming Wars Charlotte Henry,2025-10-03 Streaming broadcasters have given consumers all the content they could ever want But at what cost In Streaming Wars journalist Charlotte Henry explores the seismic shifts behind the rise of platforms like Netflix Disney Apple TV Spotify Amazon Prime Paramount and more From Hollywood s 2023 strikes to the race for sports rights the growth of ad supported tiers and the decline of traditional TV she reveals how streaming has disrupted not only media economics but also the power structures that define what gets made and who gets seen As AI rebundling and fierce competition drive a new phase in the streaming era Streaming Wars offers a sharp accessible look at what s next for companies creators and audiences alike Whether you re a casual viewer or a media professional Streaming Wars is your essential guide to the business battles transforming entertainment The Deal ,2010

Passion Economy and the Side-Hustle Revolution Utkarsh Amitabh,2023-03-20 Work is getting unbundled from employment and the Great Resignation has become the new normal As the passion economy becomes mainstreamed people will look to build a portfolio of professions that create multiple income streams They are likely to monetize their passions and build a career on their terms seeking autonomy mastery and purpose along the way Today it is possible to do what you love teach what you love and make a living This book will tell you how Billboard ,2009-10-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

**Separation of Powers and Antitrust** Vincent Martenet,2023-10-12 Separation of powers and antitrust deal with power and occupy centre stage in our challenging digital times but their interactions have not yet been analysed This timely and ground breaking book provides an innovative cross disciplinary analysis of the potential convergence of these two fields Notably Vincent Martenet examines the concentration of politico economic power in the hands of a few digital firms which have adopted private regulation impacting an entire industry and society at large He combines doctrinal method with historical developments case studies assessment of legislative proposals and observations on the functioning of digital markets and democracy in the digital era The book sketches important new axes of the separation of powers and suggests that antitrust may contribute albeit in a limited way to greater trust in both society and democracy antitrust for trust the ultimate apparent antitrust paradox

Technology Penny Crofts,Honni van Rijswijk,2021-04-29 Placing contemporary technological developments in their historical context this book argues for the importance of law in their regulation Technological developments are focused upon overcoming physical and human constraints There are no normative constraints inherent in the quest for ongoing and future technological development In contrast law proffers an essential normative constraint Just because we can do something does not mean that we should Through the application of critical legal theory and jurisprudence to pro actively engage with technology this book demonstrates why legal thinking should be

prioritised in emerging technological futures This book articulates classic skills and values such as ethics and justice to ensure that future and ongoing legal engagements with socio technological developments are tempered by legal normative constraints Encouraging them to foreground questions of justice and critique when thinking about law and technology the book addresses law students and teachers lawyers and critical thinkers concerned with the proliferation of technology in our lives [Billboard](#) ,2009-10-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
