Hums,Joanne C. MacLean,2017-05-11 The third edition of *Governance and Policy in Sport Organizations* introduces readers to the power and politics of sport organizations It explores the managerial activities essential to governance and policy development and it looks at the structure and function of organizations like those with which readers will interact in the workplace It also demonstrates where the power lies in an organization or industry segment and how individual sport organizations fit in to the greater industry Current policy issues and the ethical questions they raise are also addressed Real world case studies demonstrate the types of dilemmas that sport managers face every day In addition professional administrators from a wide variety of sport organizations contribute their perspectives giving readers a glimpse into the real concerns of sport professionals and the impact of governance and policy on their jobs The book s practical foundations readability and logical organization all help readers to understand the big picture of the sport industry and their place in it as future sport managers New to the third edition is a chapter on individual professional sport which explores how this industry segment differs from professional sport leagues In addition contributions from Thierry Zintz from the Universite catholique de Louvain offer insights into European sport organizations New York ,1997 *Mediaweek* ,2006-04 **The**

Procrastination Economy Ethan Tussey, 2020-04-01 2018 Outstanding Academic Title given by Choice Magazine How mobile devices make our in between moments valuable to media companies while also providing a sense of control and connection In moments of downtime waiting for a friend to arrive or commuting to work we pull out our phones for a few minutes of distraction Just as television reoriented the way we think about living rooms mobile devices have taken over the interstitial spaces of our everyday lives Ethan Tussey argues that these in between moments have created a procrastination economy an opportunity for entertainment companies to create products apps platforms subscription services micropayments and interactive opportunities that can colonize our everyday lives But as businesses commoditize our free time and mobile devices become essential tools for promotion branding and distribution consumers are using these devices as a means of navigating public and private space These devices are not just changing the way we spend and value our time but also how we interact with others and transform our sense of the politics of space By examining the four main locations of the procrastination economy the workplace the commute the waiting room and the connected living room Ethan Tussey illuminates the relationship between the entertainment industry and the digitally empowered public *Fortune* ,2003
