[A Beginner's Guide to the Roots of Yoga](#) Nikita Desai,2025-05-06 A practical and accessible guide to incorporating traditional yoga into a modern practice by an Indian yoga teacher and educator Yoga in its traditional form is a practice focused on inclusivity inner work and peace But the yoga that is practised today in the West has got a little lost along the way In this accessible beginner's guide Indian yoga teacher Nikita Desai brings us back to the authentic roots of this ancient practice In [A Beginner's Guide to the Roots of Yoga](#) Desai unpicks the complexities of the modern yoga space Moving away from the focus on physical poses expensive outfits and Instagram perfect bodies she delves into traditional resources to show how yoga can help your mental and spiritual wellbeing With a range of enlightening essays she explores why change in the industry is vital before centring key yogic texts philosophy and history in a digestible manner to give us a basic understanding of the origins of yoga Desai then guides us through integrating these foundations into our current practice both on and off the mat so you can enjoy the benefits of the tradition while helping to make yoga today a more inclusive and diverse space [A Beginner's Guide to the Roots of Yoga](#) is the perfect jumping off point for anyone wanting to make their practice more authentic

[Experiencing the Body in Yoga Practice](#) Krzysztof Konecki,Aleksandra Płaczek,Dagmara Tarasiuk,2023-09-25 Experiencing the Body in Yoga Practice Meanings and Knowledge Transfer inspires more mindful and contemplative qualitative research on body and knowledge transfer in bodily practices in hatha yoga The book explores the work of the mind as well as the role of emotions and body sensations in perceiving reality and in reflecting on it Procedures and research methods are an extension of our mind which wants to reach into the social reality to describe it objectively It usually refuses body and emotions The techniques of sampling and representativeness are also tools of the mind Using these tools our contact with social reality produces emotions and feelings of the body These phenomena surrounding the mind and body often go unnoticed during research and are only partially reported in the conclusions Experiencing the Body in Yoga Practice Meanings and Knowledge Transfer examines this gap It presents the application of a contemplative way of thinking and proceeding in qualitative social research and a first person perspective focusing on experiencing lived body and knowledge transfer in hatha yoga It analyzes

how the mind focuses and stops working proceeds in the finite province of the meaning of yoga how the body produces emotions and deals with them during yoga sessions and how the knowledge is transferred by using the body in some linguistic and cultural context The book will be of interest to sociologists and social scientists who want to concentrate on and analyze the experiences of the body from contemplative and phenomenological perspectives It is also key reading for all practitioners dealing with body and bodywork such as in sports recreational activities physical education rehabilitation physical work educational activities etc **Yoga Journal**,2005-05 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty
