*Cracking your Health Code* Thomas Olivier, 2016-08-19 Less than 1 per cent of people have a tangible plan when it comes to the prevention of ill health 9 out of 10 people are still dying of diseases that are preventable just by altering our lifestyle diet and environment It's time for a shift time to be self health educated This book is your invitation to a new health order by shifting from a standardised and reactive sick care system to proactive and personalised prevention Using the cutting edge science of the genomic revolution you'll learn that your genes are not your fate and how to alter their expression for optimum health and performance This book will guide you through a 7 step journey to your own personalised health mastery Using a proven method that's already changed the life of hundreds you'll discover the power and methodology to move away from the status quo and alarming statistics using practical advice and helpful tools This book will empower you to embrace your life disease free and full of energy

*Cracking the Metabolic Code* B. Lavalle R.Ph. C.C.N. N.D., James, James B. Lavalle, 2009-06-16 Crack Your Code and Reach a New Level of Healing and Health Doctors traditionally prescribe a pill for every ill But for most people these single solutions don't work The truth is most chronic health problems including stubborn weight gain unbeatable fatigue intestinal distress high blood pressure creeping cholesterol and high blood sugar are not found in simply one organ but in several parts of the body oftentimes in twos and threes This is the result of years of slow subtle challenges to your metabolism which is as unique as you are Your diet lifestyle habits stress level prescription drug use and relationships as well as the genes you inherit and the environment in which you live in effect the sum total of your life experience up to this day determine your personal metabolism and in turn your current state of health Using a step by step easy to implement system of diet lifestyle strategies and state of the art nutrients and supplements Dr James LaValle will help you create an individualized program for reclaiming your metabolism and health At long last this book provides readers with the information and tools that have been used successfully by thousands of Dr LaValle's patients over the last twenty years to help them take charge of their diets their health and their lives

*The Diet Code* Stephen Lanzalotta, 2006-04-03 Eat bread and cheese drink wine and lose weight The secret lies in an ancient mathematical formula now transformed into The Diet Code as a master baker and craftsman Stephen Lanzalotta had been applying the mathematical principles of the Golden Ratio for more than twenty years His realization that this ancient universal formula used by Da Vinci and other great geniuses of the Renaissance also held the secret to optimal nutrition and health led him to apply it to his own diet and the menu at his popular cafe The weight loss and sense of well being that he and his customers experienced convinced him that he had cracked the diet code discovering a simple natural and nutritious approach to healthy eating that is as easy as 1 2 3 His revolutionary Mediterranean style eating program uses the Golden Ratio to link the proper proportions of everyday foods to boost metabolism and spark weight loss Combining a three phase eating program with detailed menu plans mouthwatering recipes Renaissance lore and Italian inspired lifestyle advice The Diet Code is a unique health and weight loss

program from the ages for the ages In it readers will Crack the diet code discover how the Golden Ratio can work for you to boost metabolism and maximize nutrition and weight loss Forget about the math it's all done for you and the net result is deliciously simple 1 part grain carbohydrate 2 parts protein 3 parts vegetables at every meal Enjoy bread again It really is the staff of life as long as you eat it along with the right amount of fat or protein Experience natural weight control choose and properly prepare healthful readily available foods as they did during the Renaissance The Diet Code is a unique approach to eating well based on a mathematical phenomenon that's been around for centuries but has never before been applied to diet Now prepare to lose weight and get healthy by asking yourself What would Da Vinci eat **Cracking the Metabolic Code** James B. Lavalle, Stacy Lundin Yale, 2004 Doctors traditionally prescribe a pill for every ill But for most people these single solutions don't work The truth is most chronic health problems including stubborn weight gain unbeatable fatigue intestinal distress high blood pressure creeping cholesterol and high blood sugar are not found in simply one organ but in several parts of the body often times in twos and threes This is the result of years of slow subtle challenges to your metabolism which is as unique as you are Your lifestyle habits stress level prescription drug use and relationships as well as the genes you inherit and the environment in which you live in effect the sum total of your life experience up to this day determine your personal metabolism and in turn your current state of health Using a step by step easy to implement system of diet lifestyle strategies and state of the art nutrients and supplements Dr James LaValle will help you create an individualized program for reclaiming your metabolism and health **Rehabilitation Codes** Maya Riviere, 1962
