Success Is a Numbers Game Kyle Austin Young,2025-11-11 For fans of James Clear Nassim Taleb and Malcolm Gladwell Stop being someone who could succeed and become someone who predictably should succeed by using a revolutionary probability hacking framework to increase your odds of success Every goal that you're pursuing has two hidden numbers attached to it a probability of success and a probability of failure Whether you're trying to start a business run a marathon get a promotion earn a pilot's license grow a bumper crop of tomatoes or sign an acting deal these two percentages are always lurking in the shadows predicting what is going to happen But most of us never think about them We assume our odds are unknowable and unchangeable This dangerous lie leads millions of people to fail at goals where they were perfectly capable of succeeding You can choose a smarter path In Success is a Numbers Game you'll discover A game changing new way to diagram a goal and deepen your understanding of how likely you are to achieve it A five step framework for hacking your success diagram to dramatically improve your odds of getting the outcome you want A simple test for knowing which of your biggest goals to prioritize and which to quit immediately An upgraded approach to

decision making that illuminates optimal choices by exposing potential futures Developed by award winning strategy consultant Kyle Austin Young a writer for Harvard Business Review Forbes and Psychology Today this probability hacking framework harnesses tactics that have been battle tested in business art education philanthropy politics sports and more In the context of a single goal Young s system could be the secret advantage that changes your outcome Over the course of several goals it could transform the trajectory of your career Applied to a lifetime of goals it can level up your legacy Discover the life changing power of probabilistic thinking through a rich variety of unforgettable stories starring Abraham Lincoln Marilyn Monroe a forensic pathologist who s conducted over 20 000 autopsies and a team of Olympic athletes who changed the course of history If you re ready to win more lose less and wake up with the sturdy confidence that comes from having the odds on your side Success is a Numbers Game is a must read
