**Athletic Training and Therapy** Leamor Kahanov,Ellen K. Payne,2021-03-25 Athletic Training and Therapy Foundations of Behavior

and Practice builds upon an undergraduate understanding of health and exercise sciences to instill an evidence based graduate level knowledge of best practices in athletic training and health care. This text integrates essential competencies outlined by the AT Strategic Alliance a collaboration of the National Athletic Trainers Association NATA Board of Certification BOC and Commission on Accreditation of Athletic Training Education CAATE. Athletic Training and Therapy highlights contemporary concepts not often found in other introductory texts such as cultural literacy, interprofessional practice, preventative health care, administrative management, special populations, and epidemiology. Students gain a complete picture of their role as an athletic trainer as they explore these topics and progress through the text. Part I covers foundational clinical competencies that will guide students in their future professional practice. Part II features holistic wellness concepts and proactive strategies to prevent illness and injury. Part III presents emergency interventions for acute injury and immediate care. Part IV offers information on evaluating illness and injury. Part V addresses therapeutic and medical interventions including therapeutic exercises, pharmacology, and casting procedures. The full color text engages students and fosters comprehension with learning aids Evidence Based Athletic Training sidebars that highlight a position statement, systematic literature review, or high level randomized control trials. Foundational Skills sidebars that provide step by step instructions for common skills required of entry level athletic trainers. Chapter summaries of key concepts, Learning objectives to help students focus their studies during their graduate education and during preparation for the BOC examination. Related digital content delivered through HKPropel videos of select skills and techniques, gradable chapter quizzes, case studies with critical thinking questions for each chapter, and checklists that can be used to grade students on their ability to accurately perform foundational skills. Athletic Training and Therapy offers advanced athletic training students an engaging presentation of the clinical skills they will need as a successful member of the interprofessional health care team. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.

*Impact of Zakat on Sustainable Economic Development* Sarea, Adel, 2020-07-31

Zakat a religious obligation in the form of almsgiving is highly important both in Islam and in the Islamic economy. As Muslim communities face financial hardships around the world, Zakat has emerged as a vital component within these communities and could play a major role in sustainable economic development by helping society to alleviate poverty and promote social equality.

*Impact of Zakat on Sustainable Economic Development* is a pivotal reference source that contributes practical solutions and knowledge production in alleviating poverty in Muslim countries by adopting Islamic approaches to contemporary socio economics and the importance of Zakat in sustaining development and supporting the welfare of society. Featuring coverage on a wide range of topics such as corporate governance, ethics and sustainable economic development, this book is ideally designed for economists, government officials, regulators, entrepreneurs, financial professionals, religious authorities, researchers, academicians and students at the postgraduate level.
