Business Ethics and Stakeholder Management Juergen-Matthias Seeler,2012-02-04 Doctoral Thesis Dissertation from the year 2011 in the subject Business economics Business Management Corporate Governance grade Excellent language English abstract Business ethics is a matter of increasing importance and public awareness Recent scandals and the financial crisis have suggested that the standard of business ethics is not high and that corporate behaviour should not solely be oriented to profit goals Rather a firm s ethical conduct should be part of its focus While discussions of ethical questions in a market economy are mainly related to large firms this thesis specifically aims at revealing potential problem issues and solutions for small firms These firms are often ignored when moral concerns in business are addressed This is in contrast to their importance for the economy and society of almost every country of the OECD as they constitute the majority of all companies and provide a major share of jobs The majority of the studies examining business ethics are focused on large corporations using quantitative strategies Few studies related to small business have been undertaken The question of how these firms and their owner managers could systematically engage in business ethics and ethical stakeholder management remain unanswered The thesis develops a tool which explicitly addresses this topic the Ethics Integration Guideline On the basis of a research paradigm of constructivism a study was designed which was intended to elicit and then to guide small business owner managers ethical attitudes perceptions and experiences It aimed to develop a structured guideline which can help small firm owners to integrate ethical considerations into their business activities Taking owner managers perspectives into account provides insight into the small firms context Thus practical applicability of the guideline is provided The results of the research suggested the framework for an Ethics Integration Guideline comprised **Institutionalizing Organizational Ethics Programs** Joseph A. Petrick,Wendy M. Claunch,Robert F. Scherer,1991 *Ethical Practice in the Human Services* Richard D. Parsons,Karen L. Dickinson,2016-10-27 *Ethical Practice in the Human Services* by Richard D Parsons and Karen L Dickinson moves beyond addressing ethical issues and principles to helping readers actually practice ethical behavior through awareness of their personal morals values and choices With coverage of ethical standards from six different associations the text addresses ethical issues and principles in social work counseling psychology and marriage and family therapy Robust pedagogy includes case illustrations and guided exercises to give readers a deeper understanding of

the underlying moral principles and values that serve as a foundation for the various ethical codes *The Philosopher's Index* ,2008 Vols for 1969 include a section of abstracts *Contemporary Business Law and the Legal Environment* J. David Reitzel,1994 **Business Ethics and Business Behaviour** Ken Smith,Phil Johnson,1996 This text embodies both a macro and micro approach to understanding business behaviour It involves assessing the impact of business on the wider community and the effects of organizational life on the individual The contributors take various facets of business life and explore the relevance of ethical concerns to key functions such as marketing finance information systems strategy and human resources focusing on the links between business ethics and organizational behaviour The final section seeks to use business ethics as a way to develop guidelines for behaviour and actions in a contemporary business climate of rapid technological and structural change Australian Journal of Professional and Applied Ethics ,2003 **Practical Business Ethics for the Busy Manager** M. Neil Browne,Andrea Giampetro-Meyer,Carrie Williamson,2004 For courses in Business Ethics and business courses desiring a brief readable supplement encouraging business ethics Brief text shows students how to be ethical business people Common sense practical approach to doing good work emphasizing the need to prepare in advance for ethical dilemmas Helps improve behavior in the rushed output driven business environment **Keyguide to Information Sources in Business Ethics** Francis P. McHugh,1988 **An Introduction to Collective Bargaining and Industrial Relations** Harry Charles Katz,Thomas A. Kochan,1992 Clinical Ethics Albert R. Jonsen,Mark Siegler,William J. Winslade,2002 Shows health care professionals how to identify analyze and resolve ethical issues in clinical medicine using the Four Box Method medical indications patient preferences quality of life and contextual features The Fifth Edition emphasizes evidence based medicine and explores new issues in treatment and research Small Business Sourcebook ,2005 A guide to the information services and sources provided to 100 types of small business by associations consultants educational programs franchisers government agencies reference works statisticians suppliers trade shows and venture capital firms **Business Ethics** Donald P. Robin,R. Eric Reidenbach,1989 *The Director's and Officer's Guide to Advisory Boards* Robert K. Mueller,1990-01-09 Written primarily for corporate directors and officers this book deals with a relatively new phenomenon in corporate governance the advisory board Mueller provides an informed thorough discussion of advisory boards and their functions explains the fundamental differences between advisory boards and statutory boards of directors and offers guidelines for making the most effective use of these adjunct advisory bodies in managing corporations Mueller begins by introducing the new advice age and reviews the essential characteristics of contract advice A second chapter explores the context in which business and other institutions must now function and the pressures which have sparked interest in the use of advisory boards Mueller then compares advisory boards to traditional statutory boards consultants and mentors and surveys how advisory boards of different kinds work to carry out their special roles or functions He provides practical guidelines for the contracting advisee organization including information on insurance indemnification

and contractual matters Finally six chapters offer clinical experience from the advisor perspective An appendix offers advice for those seeking an invitation to serve on an advisory board

Business Ethics ,2000 *Business & Society* Archie B. Carroll,Ann K. Buchholtz,2003 *Business and Society Ethics and Stakeholder Management* 5th edition employs a stakeholder management framework emphasizing business social and ethical responsibilities to both external and internal stakeholder groups A twin theme of business ethics illustrates how ethical or moral considerations are included the public issues facing organizations and the decision making process of managers The text is written from a managerial perspective that along with the two themes shows how to identify stakeholders incorporate their concerns into the organization s strategy and operations and also integrate ethical wisdom into their decision making process In addition 35 case histories are included to help connect theory and practice through timely and interesting examples
