The Cost of Free Shipping Jake Alimahomed-Wilson, Ellen Reese, 2020-09-20 Winner of the UALE Book Award 2021

Amazon is the most powerful corporation on the planet and its CEO Jeff Bezos has become the richest person in history and one of the few people to profit from a global pandemic. Its dominance has reshaped the global economy itself. We live in the age of Amazon Capitalism. One click instant consumerism and its immense variety of products has made Amazon a worldwide household name with over 60% of US households subscribing to Amazon Prime. In turn these subscribers are surveilled by the corporation. Amazon is also one of the world's largest logistics companies resulting in weakened unions and lowered labor standards. The company has also become the largest provider of cloud computing services and home surveillance systems not to mention the ubiquitous Alexa. With cutting edge analyses this book looks at the many dark facets of the corporation including automation surveillance tech work workers struggles algorithmic challenges the disruption of local democracy and much more. **The Cost of Free Shipping** shows how Amazon represents a fundamental shift in global capitalism that we should name interrogate and be primed to resist.

Amazon Natalie Berg, Miya Knights, 2021-11-03 Amazon one of the world's most valuable companies is worth more than Walmart, Netflix, Target, Nike and Costco combined. What are the secrets to its success? How can these insights be applied to other businesses in the e-commerce sector? The retail industry is facing unprecedented challenges. Across all sectors and markets, retailers are shifting their business models and customer engagement strategies to ensure they survive. Amazon offers unique insight into the company's persistent dissatisfaction with the status quo and innovation, and how it has fundamentally changed the ways in which we shop. This fully updated second edition explores Amazon's response to the coronavirus pandemic, the convergence of physical and digital retail, e-commerce economics and sustainability, as well as future policy implications. Written by industry-leading retail analysts and with the first edition now translated into more than a dozen languages, **Amazon** is an invaluable resource for discovering the lessons that can be learned from the company's unprecedented rise to dominance.

Dotcom Secrets Russell Brunson, 2022-08-09 Master the science of funnel building to grow your company online with sales funnels in this updated edition from the 100M entrepreneur and co-founder of the software company ClickFunnels. **DotCom Secrets** is not just another how-to book on internet marketing. This book is not about getting more traffic to your website; yet the secrets you'll learn will help you to get exponentially more traffic than ever before. This book is not about increasing your conversions; yet these secrets will increase your conversions more than any headline tweak or split test you could ever hope to make. Low traffic or low conversion rates are symptoms of a much greater problem that's a little harder to see: that's the bad news, but a lot easier to fix: that's the good news. What most businesses really have is a funnel problem. Your funnel is the online process that you take your potential customers through to turn them into actual customers. Everyone has a funnel, even if they don't realize it, and yours is either bringing more customers to you or repelling them. In this updated edition, Russell Brunson, CEO and co-founder of the

multimillion dollar software company ClickFunnels reveals his greatest secrets to generating leads and selling products and services after running tens of thousands of his own split tests Stop repelling potential customers Implement these processes funnels frameworks and scripts now so you can fix your funnel turn it into the most profitable member of your team and grow your company online **Sell on Amazon** Steve Weber,2008-08 If you are in business to sell consumer goods or you want to be you should be on Amazon.com More than 90 million customers shop at Amazon As its global business booms Amazon is inviting all sorts of independent sellers large and small businesses individuals and mom and pop shops to sell their merchandise right on Amazon Whether you're just starting or already in business you can boost your sales and profits by showing your wares on Amazon the world's biggest store Everything you need to start converting your items into cash is in this book by Steve Weber one of the most successful and highly rated sellers in Amazon history How to set up shop on Amazon and generate worldwide sales volume with no up front cost risk or advertising Run your Amazon store from home a warehouse or a walk in store or outsource everything to Amazon's fulfillment center Find bargain inventory target niche markets for big profits Get tax deductions and write offs for business use of your home Use Amazon as a stand alone business or a lead generator for an existing business Pay lower sales commissions on Amazon Sell your inventions crafts or intellectual property on Amazon Guard against scammers and rip off artists Automate your business with easy to use tools **Business Week**,2010 **United States Government Publications Monthly Catalogue** J.
