Dear Sirs,

Hi, I'm Jamie Chen,  
Marketing Director  
at Brightline  
123 Main Street, Suite 456  
New York, NY 10001

Dear Mr. Lawson,

I'm excited to apply for the Content Marketing Specialist position at Brightline. When I read that a cover letter was required, I saw it as a great opportunity to let you know what I'm like, learn more about the role, and let the right team know I'm a strong fit.

For the past three years, I've led 100+ other content campaigns at a fast-growing startup, increasing our productivity 20% and reducing our budget. I've also managed a team of 10 content creators, contributing directly to a 15% increase in qualified leads. Beyond the numbers, though, what really made me love working here was the opportunity to combine my passion for writing with my love for the latest business trends—something Brightline emphasizes in its brand and product goals.

What stood out to me in your job description was your emphasis on experimentation and creative collaboration. I thrive in that kind of environment. In fact, one of my favorite projects involved creating content that was an immediate success in terms of engagement when launched with our audience. It taught me how to best apply my creativity—and the right to bring that mindset to your team.

I hope the chance to contribute to Brightline comes with continuing to grow as a content strategist. Thank you for the opportunity to apply.

Best regards,  
Jamie Chen
