Sensor Technologies Healthcare Wellness and Environmental Applications takes the reader on an end to end journey of  
sensor technologies covering the fundamentals from an engineering perspective introducing how the data gleaned can be  
both processed and visualized in addition to offering exemplar case studies in a number of application domains It is a must  
read for those studying any undergraduate course that involves sensor technologies It also provides a thorough foundation  
for those involved in the research and development of applied sensor systems I highly recommend it to any engineer who  
wishes to broaden their knowledge in this area Chris Nugent Professor of Biomedical Engineering University of Ulster
