## Oracles Of Delphi Keep:

**Oracles of Delphi Keep** Victoria Laurie,2009-05-26 Ian Wigby is about to find out that he is a very special boy Along the southern coast of England atop the White Cliffs of Dover stands a castle And at that castle s old keep is an orphanage Delphi Keep has seen many youngsters come and go through its gates and Ian Wigby and his sister Theodosia are happy to call it home Life has always been simple at the Keep and the orphanage safe until one day Ian and Theo find a silver treasure box And within the box a prophesy Three thousand years ago a great Greek oracle wrote of a quest A quest on which the fate of the world depends A quest that names two children Ian and Theodosia Suddenly Delphi Keep is no longer safe And Ian and Theo along with a very special group of friends realize they must unravel the meaning behind the scroll of Dover cavern before darkness falls on the world And before an unfathomable evil catches up with them [The Curse of Deadman's Forest](#)

Victoria Laurie,2010-08-24 The Curse of Deadman s Forest is the second book in the Oracles of Delphi Keep a series with all the timeless charm of classics like the Chronicles of Narnia and all the action packed adventure of a modern middle grade blockbuster Since Ian Wigby and his sister Theodosia found the silver treasure box and the prophecy within it their world has changed There s no denying what they discovered in Morocco a powerful evil is budding and to defeat it and save the world from darkness six uniquely gifted children must be gathered According to prophecy a trip through the magical portal near the castle will bring them to the third Oracle a child with extraordinary powers to heal But the very same prophecy foretells Ian s death should he venture through the portal again Everyone agrees to risk Ian s life is too great a gamble But when a terrible curse enters the keep it becomes clear that there is no other choice If Ian and Theo stay in Dover all will surely be lost but to follow the prophecy they will risk their lives and everything they have ever held dear According to prophecy a trip through the magical portal near the castle will bring them to the third Oracle a child with extraordinary powers to heal But the very same prophecy foretells Ian s death should he venture through the portal again Everyone agrees to risk Ian s life is too great a gamble But when a terrible curse enters the keep it becomes clear that there is no other choice If Ian and Theo stay in Dover all will surely be lost but to follow the prophecy they will risk their lives and everything they have ever held dear Since Ian Wigby and his sister Theodosia found the silver treasure box and the prophecy within it their world has changed There s no denying what they discovered in Morocco a powerful evil is building and to defeat it and save the world from darkness six uniquely gifted children must be gathered According to prophecy a trip through the magical portal near the castle will bring them to the third Oracle a child with extraordinary powers to heal But the very same prophecy foretells Ian s death should he venture through the portal again Everyone agrees to risk Ian s life is too great a gamble But when a terrible curse enters the keep it becomes clear that there is no other choice If Ian and Theo stay in Dover all will surely be lost but to follow the prophecy they will risk their lives and everything they have ever held dear Since Ian Wigby and his sister Theodosia found the silver treasure box and the prophecy within it their world has changed There s no denying what

In 1940 when Delphi Keep is taken over by the Royal Navy as a communications outpost Ian Theo and Carl dread being evacuated to the earl s winter residence where they will no longer be protected but are even more concerned about deciphering the third prophecy and identifying the Secret Keeper

Quest for the Secret Keeper Victoria Laurie,2012-02-14 Delphi Keep is awash in activity and for Ian Theo and Carl their safe haven might be nearing its end The Royal Navy has taken the keep to use as a hospital and the tunnels running under the keep and the castle are ideal to set up a central communications outpost for the approaching war The earl is happy to help the effort but now the keep is no longer safe for the orphans and they must be evacuated to his winter residence Ian Theo and Carl know that if they re sent away they ll no longer be protected But more important than their safety is deciphering the third prophecy All clues point to a quest The orphans don t know where they must go but they know they must rescue the Secret Keeper To do that however they need to work out who this Secret Keeper is And what exactly are the secrets he s keeping
