Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island Brown University. Library,1972 **We Are Green and Trembling** Gabriela Cabezón Cámara,2025-06-03 Lyrical and swashbuckling tender and surreal Gabriela Cabez n Camara s new novel finds glimmers of hope for the future in the brutal history of colonial Latin America Deep in the wilds of the New World Antonio de Erauso begins to write a letter to his aunt the prioress of the Basque convent he escaped as a young girl Since fleeing a dead end life as a nun he s become Antonio and undertaken monumental adventures he has been a mule driver shopkeeper soldier cabin boy and conquistador he has wielded his sword and slashed with his dagger Now caring for two Guaran girls he rescued from enslavement and hounded by the army he deserted this protean protagonist contemplates one more metamorphosis which just might save the new world from extinction Based on the life of Antonio de Erauso a real figure of the Spanish conquest *We Are Green and Trembling* is a queer baroque satire and a historical novel that blends elements of the picaresque with surreal storytelling Its rich and wildly imaginative language forms a searing criticism of conquest and colonialism religious tyranny and the treatment of women and indigenous people It is a masterful subversion of Latin American history with a trans character at its center finding in the rainforest a magical surreal space where transformation is not only possible but necessary Tracker Alexis Wright,2025-09-02 A breathtaking monumental work of collective memoir from the master Alexis Wright How do you tell an impossible story one that is almost too big to contain in a single book In *Tracker* Alexis Wright tells the story of charismatic Aboriginal Australian leader Tracker Tilmouth who died in Darwin in 2015 at the age of 62 Taken from his family as a child and brought up in a mission on Croker Island Tracker worked tirelessly for Aboriginal self determination creating opportunities for land use and economic development in his many roles including Director of the Central Land Council of the Northern Territory Tracker was a visionary and a strategist renowned for his irreverent humour and his determination to tell things the way he saw them Having known him for many years Alexis Wright interviewed Tracker along with family friends colleagues and the politicians he influenced weaving their stories together in a manner reminiscent of Nobel Prize winner Svetlana Alexievich s *Secondhand Time* The book is as much a testament to the powerful role played by storytelling in contemporary Aboriginal life as it is to the legacy of an extraordinary man You're Invited to Bruce Lansky's Poetry Party Bruce Lansky,1996 This collection features laugh out loud verse collected with the help of more than 1000 junior and middle school children and their teachers It features 59 rib tickling poems and details of how to organize an impromptu poetry party with advice on how to get kids to read the poems out loud **On the Clock** Claire Baglin,2025-03-04 A marvelous debut from the hugely talented young French writer Claire Baglin this tender and painful portrait of working class life finds shards of poetry inside the twin hardships of poverty and service work Claire Baglin s *On the Clock* packs a family saga a penetrating picture of social inequality and a coming of age story into a compact tale told in two alternating strands The first

follows the 20 year old narrator's summer job at a fast food franchise and the other shows us moments from her childhood with her family with a particular focus on her hapless infuriating good hearted father a low paid but devoted electrician in a factory with an upside down smile These two skeins sketch out in swift turns two stories of underappreciated work one covering several decades the other a summer one constituting a sort of life the other a stopgap on the way to something different the narrator is a college student With a keen eye for eloquent details and sharp ear for workplace jargon her dry humor and a crisp compelling style Baglin's depiction of their lives is particularly rich at once affectionate and alienated Working the alternating strands in a way reminiscent of Georges Perec's *W* or the *The Memory of Childhood* the past is remarkably vivid in *On the Clock* her childhood memories of their bleak small town and of summer vacations spent at campgrounds by the sea in Brittany And the present blazes in scenes of the young woman's current fast food trial the awful boss the nasty manager and all the tedium and horror of dead end work Slowly the oven door opens and a nursery school tune announces that the salad rolls can come out and I'm mired in the heart of pointlessness I stick a straw into the whipped cream but don't take off the end of the paper wrapper so they'll know it hasn't been used I'm conscientious

Poetry's Catbird Seat William McGuire, 1988 **The Bloomsbury Review**, 1981 Matrilineal Dissent Annie Atura Bushnell, Lori Harrison-Kahan, Ashley Walters, 2024-05-07 Collectively contributors reframe Jewish American literary history through feminist approaches that have revolutionized the field from intersectionality and the MeToo movement to queer theory and disability studies Examining both canonical and lesser known texts this collection asks what happens to conventional understandings of Jewish American literature when we center women's writing and acknowledge women as dominant players in Jewish cultural production

A Smaller Classical Dictionary of Biography, Mythology, and Geography William Smith, 1874 *Booklegger Magazine*, 1975 **Encyclopedia Britannica 2009 Book of the Year**, 2009 **Folklore Institute Monograph Series** Indiana University, Bloomington. Folklore Institute, 1981 **The Publishers' Trade List Annual**, 1988 Arts & Humanities Citation Index, 1998 **The PIP Anthology of World Poetry of the 20th Century** Douglas Messerli, 2000 The fifth volume of this acclaimed anthology features the work of innovative poets of southern California This gathering of 28 poets does not write a particular kind of poetry but as individuals they have worked together through a series of intersecting ideas and interests to create some of the best writing of contemporary poetry contradicting many of the simplistic notions of people outside of the region In his introduction editor Douglas Messerli provides a complete history of the loosely knit group and the interrelationships within it
