Worley, 2010. Organisational Change: Development and Transformation Dianne Waddell, Andrew Creed, Thomas G. Cummings, Christopher G. Worley, 2019-08-01. Change Management is a crucial process for gaining the competitive advantage that is the goal of many organisations. Leaders and change agents are often faced with conflicting challenges of motivating and understanding increasingly diverse workforces, accounting to stakeholders and planning for the future in a chaotic environment. Organisation Change Development and Transformation 7e takes both an organisational development and transformational approach to change to reflect the environment of change faced by organisations today. With the field of organisational change continuing to evolve, especially in an international context, future directions of change management are also discussed. To emphasise the relationship between theory to practice, this text provides 10 local and international case studies, practitioner vignettes and a suite of online cases supported by a case matrix.
