**Lessons from a Disabled Caregiver** William G. Reed, 2021-07-30 Progressive untreatable nerve and muscle diseases transformed the author's life from having been a college athlete to needing a wheelchair and special equipment for day to day activities. While dealing with his own conditions, he was faced with the unique challenge of being the sole caregiver for his wife who suffers from Alzheimer's disease. He has written this experience-based book to help people with life-altering medical conditions and those dealing with challenging caregiving responsibilities. Comprehensive in scope, it covers topics including grief, finances, safety, and end of life planning. This is a resource book containing many references aimed at helping the reader overcome their challenges, maintain their independence, and have happy fulfilling lives.

**Side Hustles You Can Start This Week With Zero Investment** Jennifer Taylor, 2025-11-07 Just Lost Your Job? You Can Start Earning Money Again This Week! When you're facing unemployment, the last thing you need is another book filled with vague advice and unrealistic promises. This is your practical, no-nonsense guide to generating real income starting today without spending a dollar to get started. Inside, you'll discover over 50 proven side hustles you can launch immediately from freelance services and gig economy work to digital products and local service businesses. Each opportunity includes specific rates you can charge, platforms to find clients, exact steps to get started, and realistic earnings projections based on real people's experiences. What makes this guide different? You'll learn which side hustles pay within 24-48 hours, perfect when bills are due, which build into passive income streams, and how to combine multiple hustles for maximum earnings with minimum burnout. Every strategy is designed for people with zero startup capital who need income now, not six months from now. Whether you're recently laid off between jobs or simply need to supplement insufficient income, this book provides the financial lifeline you need. You'll discover how to turn your existing skills into paid services which online platforms actually

pay well how to price your work competitively and how to land your first clients within days Here's what you'll find inside  
Freelance services you can offer today with skills you already have Gig economy opportunities that provide immediate cash  
Creative income streams that build while you job hunt Local service businesses requiring nothing but reliability Digital  
products you create once and sell forever Step by step client acquisition strategies Pricing guides for every service type Time  
management systems that protect your job search Financial tracking and tax basics Real earnings potential for each  
opportunity This isn't about getting rich quick It's about maintaining your dignity paying your bills and reducing financial  
stress while you find your next great opportunity It's about taking control when circumstances feel out of control Thousands  
of people in your exact situation have used these strategies to generate 500-3,000 per month within 30 days Some discovered  
their side hustle was more fulfilling than their corporate career Others used the income security to negotiate better job offers  
from a position of strength rather than desperation Your next dollar starts with your next action Stop waiting for the perfect  
opportunity Stop feeling helpless Stop letting financial fear control your decisions Everything you need to start earning this  
week is in these pages Close this description Get the book Start your first side hustle today Your financial situation can look  
completely different one week from now but only if you take action right now [There Is No Place for Us](#) Brian

Goldstone, 2025-03-25 ONE OF THE NEW YORK TIMES AND THE ATLANTIC'S TEN BEST BOOKS OF THE YEAR ONE OF  
BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR Through the revelatory and gut wrenching Associated Press stories of  
five Atlanta families this landmark work of journalism exposes a new and troubling trend the dramatic rise of the working  
homeless in cities across America An exceptional feat of reporting full of an immediacy that calls to mind Adrian Nicole  
LeBlanc's Random Family and Matthew Desmond's Evicted The New York Times Book Review Editors' Choice FINALIST FOR  
THE ANDREW CARNEGIE MEDAL A BEST BOOK OF THE YEAR NPR The Washington Post Atlanta Journal Constitution Elle  
New America BookPage Shelf Awareness The working homeless In a country where hard work and determination are  
supposed to lead to success there is something scandalous about this phrase But skyrocketing rents low wages and a lack of  
tenant rights have produced a startling phenomenon People with full time jobs cannot keep a roof over their head especially  
in America's booming cities where rapid growth is leading to catastrophic displacement These families are being forced into  
homelessness not by a failing economy but a thriving one In this gripping and deeply reported book Brian Goldstone plunges  
readers into the lives of five Atlanta families struggling to remain housed in a gentrifying increasingly unequal city Maurice  
and Natalia make a fresh start in the country's Black Mecca after being priced out of DC Kara dreams of starting her own  
cleaning business while mopping floors at a public hospital Britt scores a coveted housing voucher Michelle is in school to  
become a social worker Celeste toils at her warehouse job while undergoing treatment for ovarian cancer Each of them  
aspires to provide a decent life for their children and each of them one by one joins the ranks of the nation's working  
homeless Through intimate novelistic portraits Goldstone reveals the human cost of this crisis following parents and their

kids as they go to sleep in cars or in squalid extended stay hotel rooms and head out to their jobs and schools the next morning These are the nation s hidden homeless omitted from official statistics and proof that overflowing shelters and street encampments are only the most visible manifestation of a far more pervasive problem By turns heartbreaking and urgent There Is No Place for Us illuminates the true magnitude causes and consequences of the new American homelessness and shows that it won t be solved until housing is treated as a fundamental human right
