journalist Emily Dreyfuss and cultural ethnographer Brian Friedberg pull back the curtain on the digital war rooms in which a vast collection of antiesablishmentarians bond over hatred of liberal government and media Together as a motley reactionary army they use memes and social media to seek out new recruits spread ideologies and remake America according to their desires A political thriller with the substance of a rigorous history Meme Wars is the astonishing story of how extremists are yanking our culture and politics to the right And it s a warning that if we fail to recognize these powerful undercurrents the great meme war for the soul of America will soon be won
