Proceedings of The 7th International Conference on Gender Research Ana Isabel Azevedo, The International Conference on Gender Research ICGR is a well established academic conference that has been held annually for seven years bringing together scholars practitioners and researchers from around the world to explore diverse issues related to gender. This conference provides a multidisciplinary platform where participants are encouraged to engage in discussions and present research findings on various aspects of gender studies. The diversity of the research discussed and the participants involved in the event is an important reflection on how Gender Studies impact all corners of life. The International Conference on Gender Research has developed into a comprehensive forum that addresses a wide range of topics related to gender making it a key event for those engaged in gender studies and related fields. The published conference proceedings from these events serve as a valuable resource for ongoing research and scholarship in the area of gender research. The Proceedings of the 8th International Conference on Gender Research 2025 includes Academic research papers, PhD research papers, Masters and work in progress papers which have been presented and discussed at the ICGR conference. The proceedings are of an academic level appropriate to a professional research audience including graduates, postgraduates, doctoral and post doctoral researchers. All papers have been double blind peer reviewed by members of the Review Committee.

**Viola Bennet**

Elaine Vane,2025-11-08

Viola Bennet is a romantic cosmic love story where first love collides with destiny A groundbreaking discovery on Mars ancient microbial life and mysterious symbols etched into the planet's red rock shatters Viola's quiet world The brilliant scientist at the center of the discovery Elias Meyer is not only the man the world is watching he is the boy she once loved Their childhood bond once filled with moonlit dances garden duet and a heart stealing first kiss had ended in a misunderstanding too heavy to break Drawn back into each other's orbit Viola finds that those otherworldly symbols echo a stone she unearthed years ago in Tanzania as if the universe itself is urging her to confront the past she never forgot But love has never been simple for Viola In the wild heat of Tanzania she once fell into the arms of Javier a passionate young artist who awakened fire where Elias had left ashes Their summer of aerial dreams perilous climbs and a discovery in the ancient earth burned bright then burned out in Switzerland's reality leaving heartbreak and betrayal behind When Elias is unjustly blamed for a tragic accident and Javier fights for his life in the aftermath Viola embarks on a dual rescue mission across continents into the truth and through the ruins of the love she ran from As Elias team unveils a revelation that will redefine humanity's origins linking Mars and Earth in a migration of 2.6 million years ago Viola steps into her own brilliance reclaiming her future and her voice Across the scientific exploration and the truth of love can Viola and Elias finally bridge the distance between them Will love and ambition find harmony at last or will fate write a different ending among the stars A story of discovery of worlds of love of growth and of the courage it takes to claim the life and love you were meant to live
