transportation go to work or school use health care shop or dine out or are part of a metropolitan community parking affects you probably in more ways than you've thought about. Because parking has such a huge effect on what happens in cities and towns and how the greater transportation system functions, decision makers are beginning to realize that it's critical to employ parking expertise at the beginning of the planning process. Designing and implementing an effective professionally managed parking strategy can mean the difference between frustrating and costly traffic congestion and efficient time saving traffic flow. A Guide to Parking provides information on the current state of parking providing professionals and students with an overview on major areas of parking and the transportation and mobility industry punctuated by brief program examples.
