

# WHAT TO DO TO AFFORD A COLLEGE?

Financial Aid Types

# Financial Aid Prices

**Christine Wiebe**

## **Financial Aid Prices:**

**The Right Price** Christine Wiebe,1999-10-22 Those contemplating medical school have heard horror stories about the cost of medical education This book helps medical students determine the real cost of their education and the best way to finance it based on the school they choose The volume also includes references for funding sources and counseling Readers will learn The different costs of education depending on the school s selected and how great the final tally may be Alternative ways to finance medical education The types of service repayment plans offered by the military and other organizations How to adapt to a life of temporary debt and stay up to date on laws and policies that impact medical school debt How much does it really cost to be a doctor Can a student afford to obtain financial aid at a prestigious school knowing that they will end up owing years later while friends who choose to attend less expensive schools pay off debts quicker With an expert eye Christine Weibe gives readers the real scoop on medical school weaving in the importance of spending money wisely and realistically Since many students focus all their efforts on being accepted into medical school instead of forming a realistic picture of the financial costs and benefits of becoming a doctor she gives advice on avoiding disillusionment and how to budget money She also stresses the importance of obtaining credit reports getting and paying off loans and figuring out how much the student s family should contribute For example one way to save money is to take advantage of programs that will pay for schooling in exchange for the promise to practice medicine at that location for a specified time This practical book can be a guide for anyone considering or already making the trek through medical school Education Statistics Quarterly,2002 Resources in Education ,1996-04 Getting Financial Aid ,2007

## **100 Ways to Cut the High Cost of Attending College**

Michael P. Viollt,2002-04-30 100 Ways to Cut the High Cost of Attending College goes beyond giving information on college scholarships and financial aid programs Viollt s book spells out in a clear concise workbook format many different ways that students can reduce tuition costs and living expenses and get the maximum benefits for their money Examples of Viollt s recommendations include transferring from community college establishing in state residency obtaining federal grants and loans working for colleges in exchange for stipends or free housing using employers and military service to help in getting a college degree and graduating in a timely fashion without having to pay for extra semesters Also included are rankings of colleges and profiles of students that show these tips put into practice The skyrocketing costs of college tuitions which generally increase at twice the rate of inflation have led families with comfortable incomes to explore ways to keep education costs manageable For those who don t qualify for need based financial aid but still find the cost of college to be daunting Viollt s guide provides excellent insights on staying within a reasonable budget while getting a useful and comprehensive education **Catalogs of Courses** University of California, Berkeley,1992 Includes general and summer catalogs issued between 1878 1879 and 1995 1997 **Kiplinger's Personal Finance** ,2008 Workforce Contingent Financial Aid ,2004 **What Students Pay for College** ,2002 Railway News, Finance and Joint-stock Companies'
