Injury Report 2025:

School Violence and Primary Prevention Thomas W. Miller, 2023-01-01 This important new work covers clinical issues in treating victims of school violence and assessing children with the potential for violence. The editor also examines the effectiveness of prevention intervention programs and offers larger policy recommendations. The book looks at environmental factors such as cultural issues on behaviors from bullying to mass school shootings. And uniquely the book delves into topics such as sexual boundaries and body image. In all this book aims for a theoretical and applied picture of the current state of school violence and prevention.
