[The Business of Aspiration](#) Ana Andjelic, 2020-10-26. The Business of Aspiration is about how consumers shifting status symbols affect business and brand strategy. These changing status symbols like taste, aesthetic, innovation, curation or environmentalism create the modern aspirational economy. In the traditional economy consumers signaled their status through collecting commodities. Instagram followers, airline miles and busy back to back schedules. By contrast in the aspirational economy consumers increasingly convey status through collecting knowledge, taste, micro communities and influence. This new capital changes the way businesses and entire markets operate and yet the modern aspirational economy is still an under explored area in business and culture. The Business of Aspiration changes that. In this book marketers will find examples, analyses and tools on how brands can successfully grow in the modern aspirational economy. The Business of
