**Eighty Days** Matthew Goodman,2013-02-26 NATIONAL BESTSELLER On November 14 1889 Nellie Bly the crusading young female reporter for Joseph Pulitzer s World newspaper left New York City by steamship on a quest to break the record for the fastest trip around the world Also departing from New York that day and heading in the opposite direction by train was a young journalist from The Cosmopolitan magazine Elizabeth Bisland Each woman was determined to outdo Jules Verne s fictional hero Phileas Fogg and circle the globe in less than eighty days The dramatic race that ensued would span twenty eight thousand miles captivate the nation and change both competitors lives forever The two women were a study in contrasts Nellie Bly was a scrappy hard driving ambitious reporter from Pennsylvania coal country who sought out the most sensational news stories often going undercover to expose social injustice Genteel and elegant Elizabeth Bisland had been born into an aristocratic Southern family preferred novels and poetry to newspapers and was widely referred to as the most

beautiful woman in metropolitan journalism Both women though were talented writers who had carved out successful careers in the hypercompetitive male dominated world of big city newspapers Eighty Days brings these trailblazing women to life as they race against time and each other unaided and alone ever aware that the slightest delay could mean the difference between victory and defeat A vivid real life re creation of the race and its aftermath from its frenzied start to the nail biting dash at its finish Eighty Days is history with the heart of a great adventure novel Here s the journey that takes us behind the walls of Jules Verne s Amiens estate into the back alleys of Hong Kong onto the grounds of a Ceylon tea plantation through storm tossed ocean crossings and mountains blocked by snowdrifts twenty feet deep and to many more unexpected and exotic locales from London to Yokohama Along the way we are treated to fascinating glimpses of everyday life in the late nineteenth century an era of unprecedented technological advances newly remade in the image of the steamship the railroad and the telegraph For Nellie Bly and Elizabeth Bisland two women ahead of their time in every sense of the word were not only racing around the world They were also racing through the very heart of the Victorian age Look for special features inside Join the Random House Reader s Circle for author chats and more What a story What an extraordinary historical adventure Amanda Foreman author of *A World on Fire* A fun fast page turning action adventure the exhilarating journey of two pioneering women Nellie Bly and Elizabeth Bisland as they race around the globe Karen Abbott author of *American Rose* A marvelous tale of adventure The story of these two pioneering women unfolds amid the excitement setbacks crises missed opportunities and a global trek unlike any other in its time Why would you want to miss out on the incredible journey that takes you to the finish line page after nail biting page Chicago Sun Times Best Books of the Year In a stunning feat of narrative nonfiction Matthew Goodman brings the nineteenth century to life tracing the history of two intrepid journalists as they tackled two male dominated fields world travel and journalism in an era of incredible momentum Minneapolis Star Tribune

**All You Ever Wanted** Susan Elliot Wright, 2022-10-27 Sinister and compelling My Weekly An outstanding thriller with an ending we didn t see coming Bella You are inside With your husband and baby Your life warm and calm and untroubled I am outside Alone Looking in Watching you You have all I ever wanted Now it s time for you to share A gripping blend of creepy psychological suspense and powerful domestic drama Elliot Wright uses her insight into human nature and her storytelling skills to thrilling effect T J Emerson author of *The Perfect Holiday* With her taut writing and immaculate pacing Susan Elliot Wright has created a dark and sinister tale of toxic family relationships full of secrets and lies layered with a perfect example of the smothering isolation felt by so many new mothers I was utterly gripped from start to finish Lisa Hall author of *The Woman in the Woods* Wonderfully tense from the very first page I ripped through this in a few nights Sophie Flynn author of *Keep Them Close* A real page turner I read it in one sitting desperate to know whether what any of the characters told me was true and gripped as it came to its devastating and unpredictable climax Penny Hancock author of *The Choice* An unnerving suspenseful study of what it truly means to mother and build family ties Susan creates an authentic

and compelling picture of the many facets of a woman's inner world. The way she portrays motherhood and the responsibility of care is timely, compassionate and honest. I devoured it. Amy Heydenrych, author of *Chasing Marian*. All You Ever Wanted is packed full of menace and danger and deftly exposes the fragility of family life. Susan Elliot Wright reminds us to be careful what we wish for. Emma Bamford, author of *Deep Water*. Dark and sinister this creepy psychological thriller has it all. Gripping throughout it has a satisfying and jaw dropping ending. My Weekly This is not a predictable thriller. I was very surprised by some of the turns. But what it is is a cracking read from a great storyteller who has real insight into female, male and dark psychology. Milly Johnson

**International Handbook of Penal Abolition** Michael J. Coyle, David Scott, 2021-03-30 The Routledge International Handbook of Penal Abolition provides an authoritative and comprehensive look at the latest developments in the 21st century penal abolitionism movement both reflecting on key critical thought and setting the agenda for local and global abolitionist ideas and interventions over the coming decade. Penal abolitionists question the legitimacy of criminal law, policing, courts, prisons and more broadly the idea of punishment to argue that rather than effectively handling or solving social problems, interpersonal disputes, conflicts and harms they actually increase individual and societal problems. The Routledge International Handbook of Penal Abolition is organized around six key themes: Social movements and abolition, Organizing, Critical resistance to the penal state, Voices from imprisoned and marginalized communities, Diversity of abolitionist thought, International perspectives on abolitionism, Building new justice practices as a response to social and individual wrongdoing. A global, centred and world encompassing project this book provides the reader with an alternative and critical perspective from which to reflect and raises the visibility of abolitionist ideas and strategies in a time when there is considerable discussion of how we will move forward in response to what has given rise to the criminalizing system, white supremacy, racial capitalism and human wrongdoing. It is essential reading for all those engaged with punishment and penology, criminology, sociology, corrections and critical prisons studies. It will appeal to any reader who seeks an innovative response to the calamitous failures of the modern criminalizing system.
