Ncaa Football Guide:

College Coaches and Teaching Civil Society Literacy Daniel R. Gilbert Jr.,2025-09-29 This is a book about a treasure hidden on college campuses across the United States This treasure is the expertise that college coaches acquire as they do their life work in intercollegiate athletic competition In their work coaches routinely join to sustain relationships among parties who hold very different interests as they meet in scheduled athletic competition This expertise is a treasure for General Education because General Education entails preparing adults to live thoughtfully and with civility in the company of one another This treasure is hidden because coaches are customarily ineligible to teach in the academic program The author shows that such exclusion is optional He charts a pathway for bringing coaches off the bench and into General Education teaching He presents plans with which college faculty and coaches can join to assemble texts for teaching learners about claiming places in something larger than career and familiar comfort In the precise grammar of these texts the author demonstrates that college coaches are positioned to contribute comprehensively to the advancement of General Education

Justice and American Intercollegiate Athletics Daniel R. Gilbert Jr.,2025-09-03 This is a book about athletic competitors belonging to something larger than their accustomed and immediate pursuits The centerpiece of this book is an accomplishment of justice in the routine conduct of American intercollegiate athletics This accomplishment was a resilient assembly of intercollegiate athletic competitors who sustained bilateral playing relationships and concurrently ventured into playing relationships outside their circle This was a just arrangement because participants tolerated one another s separate pursuits while affirming that they belonged to enduring playing relationships They affirmed such belonging through their bilateral scheduling practices Evidence of this justice accomplishment is abundant in hundreds of schedules This book contains two historical narratives about connected competitors departing one another s company to travel distinctive pathways In both narratives athletic competitors reestablished playing relationships from which they had departed Through their acts of connection departure and reconnection these competitors joined to create enduring patterns of centered belonging And they did this as athletic competitors whose interests were directly opposed
