Throughout the book there is guidance for practical application including samples of public relations materials such as news releases and employee newsletters. Be Your Own Media sidebars highlight how sport organizations are proactively telling their stories across various media platforms. New to this edition case studies and discussion questions serve as a foundation for additional learning. Other updates include the following: Discussion of engaging key publics through social media and other forms of digital media such as blogs, podcasts, virtual fan communities, and video as well as approaches to developing content metrics for measuring success and skills for managing media in sport. An examination of customer experience (CX) and how to enhance those relationships by defining customer touch points and mapping the customer journey.
