Radiohead and the Resistant Concept Album Marianne Tatom Letts, 2010-11-08 How the British rock band Radiohead subverts the idea of the concept album in order to articulate themes of alienation and anti capitalism is the focus of Marianne Tatom Letts s analysis of Kid A and Amnesiac These experimental albums marked a departure from the band s standard guitar driven base layered with complex production effects Considering the albums in the context of the band s earlier releases Letts explores the motivations behind this change She places the two albums within the concept album progressive rock tradition and shows how both resist that tradition Unlike most critics of Radiohead who focus on the band s lyrics videos sociological importance or audience reception Letts focuses on the music itself She investigates Radiohead s ambivalence toward its own success as manifested in the vanishing subject of Kid A on these two albums **the art of downloading**
