Remote Jobs Compare Returns:

The Handbook of Global Outsourcing and Offshoring Ilan Oshri, Julia Kotlarsky, Leslie P. Willcocks, 2022-11-10

Global sourcing is a complex area and one that managers must get to grips with as business investment in outsourcing continues to climb. This book provides invaluable guidance for the reader walking them through the fundamentals of global sourcing to very recent trends including intelligent automation, cloud services, and crowdsourcing. Replete with key examples and cases, it allows students and managers alike to relate academic theory to practice, acting as a roadmap to a rapidly evolving field. For the last decade, the authors have studied the full spectrum of activities involved in global sourcing from both client, supplier, and advisory viewpoints. Their research has shown that while more firms engage in global sourcing activities, many of them are still struggling to extract value from sourcing relationships. While past research has produced numerous practical frameworks regarding the management of global sourcing of services, little of this insight has been put into practice. This book addresses such shortcomings by exploring the impact of theory on practice. It is important reading for any academic student or practitioner concerned with global sourcing, either from the client or supplier perspective.

The EENDEED Project F. Lartey, P. Randall, S. Saurage-Altenloh, T. Tate, 2025-06-25

With this book, transform the way your organization connects with its most valuable asset: your people. The EENDEED Project bridges the gap between employee engagement theory and actionable results-driven strategies designed to inspire and empower your workforce. In a world where employee engagement defines organizational success, the EENDEED Project equips leaders with the tools to thrive in the face of change. Whether navigating hybrid teams or driving innovation, this book provides a proven road map for cultivating a culture of value, motivation, and belonging. Learn how to make your team feel valued and involved, unlocking their potential as active contributors to your organization's success. This practical guide delivers step-by-step strategies to create a culture where employees have a voice, a purpose, and the drive to achieve shared goals. The EENDEED instrument, exclusive to this book, offers leaders a science-backed approach to measuring and enhancing engagement in real time. With this innovative tool, you'll gain deep insights into your team's needs and develop tailored strategies to foster trust, cohesion, and empowerment. Whether you're an executive, HR professional, or team leader, the EENDEED Project is your essential resource for creating a connected, resilient workforce. Unlock the power of engagement and lead your organization to a future defined by adaptability, inclusivity, and success.

Endorsements: The EENDEED Project is a refreshing and insightful guide for leaders navigating today's evolving workplace. The authors take a research-backed approach but keep it practical, offering strategies to build stronger connections with employees and create a culture that thrives, whether in the office or remotely. Packed with actionable advice and real-world examples, this book goes beyond theory to show how engagement can drive real, measurable change. If you're looking to inspire your team and transform your organization, this is the resource you need.
