They discuss how to: Improve business outcomes, Better align project work with strategies, Set priorities, Organize project work. Whether you direct projects, fund projects, or conduct project work, Organizational Project Management: Linking Strategy and Projects is vital to your understanding of this emerging business discipline.      *Project Management Maturity Models for Organizational Performance* Chin M.M., Christina, 2025-03-20. Project Management Maturity Models PM3 are meant to aid organizations working to execute their projects effectively and completely. Despite increasing project management education and certification, many organizations still struggle with project success rates. So why do PM3s designed to enhance project management capabilities continue to fail to deliver expected results? Project Management Maturity Models for Organizational Performance addresses this question by analyzing the obstacles to PM3 adoption and the factors contributing to high project failure rates. The book, gathering feedback from over 1,200 PM practitioners, sheds light on the limitations of existing PM3s and offers solutions to overcome these challenges. The proposed solution, the Duplex Project Management Maturity Model (DPM3), provides a more user-friendly and adaptable approach to assessing PM3 capabilities for different project types and scales.      100 Organizational Improvements Using OPM3® José Ângelo Pinto, Project Management Institute, 2013. Based on the OPM3 Portugal project, this paper demonstrates how PMI's Organizational Project Management Maturity Model (OPM3) is being used to assess and transform 100 case study projects in Portugal. Through the project, participating organizations selected are assessed, and data collected to show expected and actual results. In this paper, the author describes the process for selecting participating organizations as well as how projects are assessed, results collected to date, how recommendations and improvement plans are influencing change in the organizations, and possible future implications from the study and results.      **Organizational Project Management** Ralf Müller, Nathalie Drouin, Shankar Sankaran, 2019. This concise text introduces an integrated view of all project management-related activities in an organization called Organizational Project Management (OPM). Practical cases from several organizations as well as popular theories such as the Resource Based Theory and Institutional Theory provide for an insightful yet realistic understanding of OPM as an integrative tool for organizations to improve their

efficiency and effectiveness      **Using the Project Management Maturity Model** Harold Kerzner, 2019-02-25 The industry validated Project Management Maturity Model developed by Dr Harold Kerzner updated and expanded Using the Project Management Maturity Model offers assessment tools for organizations of all sizes to evaluate their progress in effectively integrating project management along the maturity curve This Third Edition includes maturity metrics examples of Project Management Maturity Model PMMM reports a new chapter on the characteristics of effective PMMM assessment questions that align with the PMBOK Guide Sixth Edition all new illustrations that define advanced levels of maturity assessment tools for organizations using traditional PM methods and detailed guidance for organizations using Agile and Scrum Using the Project Management Maturity Model Strategic Planning for Project Management Third Edition is broken down into three major parts The first part discusses the principles of strategic planning and how it relates to project management the definition of project management maturity and the need for customization The second part details the Project Management Maturity Model PMMM which provides organizations with general guidance on how to perform strategic planning for project management The third part of the book looks at some relatively new concepts in project management such as how assessments can be made to measure the firm's growth using PM 2.0 and PM 3.0 Features customizable maturity model assessment tools for organizations of all sizes Includes assessment questions updated to line up with PMBOK Guide 6th Edition Offers detailed guidance on applying the maturity model for Agile and Scrum Includes PowerPoint decks to aid in teaching the maturity model Using the Project Management Maturity Model Strategic Planning for Project Management Third Edition is an ideal book for senior level and middle level corporate managers project and team managers engineers project team members and business consultants It also benefits both business and engineering students in courses on advanced project management      **Cambridge Handbook of Organizational Project Management** Shankar Sankaran, Ralf Müller, Nathalie Drouin, 2017-05-23 In recent years organizational project management OPM has emerged as a field focused on how project program and portfolio management practices strategically help firms realize organizational goals There is a compelling need to address the totality of project related work at the organizational level providing a view of organizations as a network of projects to be coordinated among themselves integrated by the more permanent organization and to move away from a focus on individual projects This comprehensive volume provides views from a wide range of international scholars researching OPM at a cross disciplinary level It covers concepts theories and practices from disciplines allied to management such as strategic management organization sciences and behavioural science It will be a valuable read for scholars and practitioners alike who are looking to enrich their understanding of OPM and further investigate this new phenomenon
