Neighbourhood Effects Or Neighbourhood Based Problems A Policy Context:

Neighbourhood Effects or Neighbourhood Based Problems? David Manley, Maarten van Ham, Nick Bailey, Ludi Simpson, Duncan MacLennan, 2013-06-26 This edited volume critically examines the link between area based policies neighbourhood based problems and neighbourhood effects the idea that living in disadvantaged neighbourhoods has a negative effect on residents life chances over and above the effect of their individual characteristics Over the last few decades Western governments have persistently pursued area based policies to fight such effects despite a lack of evidence that they exist or that these policies make a difference The first part of this book presents case studies of perceived neighbourhood based problems in the domains of crime health educational outcomes and employment The second part of the book presents an international overview of the policies that different governments have implemented in response to these neighbourhood based problems and discusses the theoretical and conceptual processes behind place based policy making Case studies are drawn from a diverse range of countries including the United Kingdom The Netherlands Australia Canada and the USA

Research Handbook on Urban Sociology Miguel A.
