The Video Games Guide Matt Fox, 2013-01-17 The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present day releases on the PlayStation 3, Xbox 360, Wii, and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels, and of course the author's views and insights into the game. In addition to the main entries and reviews, a full color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

*Writer's Secret Weapon* Cheyenne McCray, H. D. Thomson, 2020-10-01 At some point all of us find ourselves staring at a page needing some idea-sparker to help us move forward. Maybe it's an unusual pet's name or a career in a particular field, or the right type of weapon for a scene. Maybe you're struggling with finding the right character goal or motivation, ideas for adding in the five senses, or your character's physical description. Along with useful tips for all fiction writers, you'll find lists of quick ideas for story components to keep you going throughout the process, whether you're just starting your outline, putting together the character biographies in the middle of your novel, trying to meet a deadline, or stuck with writer's block. *Writer's Secret Weapon* presents quick ideas to get you going in a number of areas. While we all know how to Google, it's harder to come by fast and easy rules. This guide saves you hours of searching, especially when you don't know where to start. Discover the kind of information new and veteran authors need at every stage of their career. The *Writer's Secret Weapon* is a one-stop shop for brainstorming, story planning, or simply sparking creativity. Tons of plot, character, scene, and story arc writing prompts packed into one space. Sure to get you started on a novel or unstuck from the middle of one. NY Times bestselling author Jennifer Ashley.
