Blue Book Joel Sansone, 2024-06-21 He is no ex Delta team and never was a CIA assassin He is a true hero and ex police officer He was born and bred in the East New York section of Brooklyn He was attacked and left for dead by a group of still unknown assailants After two years in a coma he has awakened and is bigger and stronger than ever In addition to being a heroic police officer he is also a bookie Yes he is guilty of running an illegal bookmaker business Most of his clients in the bookie business are fellow police firemen and other New York State employees Now the adventure starts for Rick LeKashi He is back and though he cannot wear a badge he can still serve and protect the people of New York in his own way Some may say he is a vigilante but he considers himself a lucky guy that is able to live a somewhat normal life after his attack Now he is content being a bookie and working out to rebuild his physical attributes He works hard at rebuilding himself as a man and as a bookie He is able with the help of his ex bosses to consider opening his own private investigation business This way he gets to feel more like a cop He needs it because he is always in the middle of some sort of trouble It s like he is a magnet for trouble and he never walks away He is a stand up good guy even though most of his money comes from being a bookie Join the ride as we live and experience what life is like for a bookie that has good connections **Baseball America 2007**
