Roblox Building Comparison Update:

Metaversed Luis Bravo Martins, Samantha G. Wolfe, 2022-12-22 Understand the coming metaverse and discover how to look past the hype and harness the future of technology. *Metaversed* is an insightful discussion and analysis of the next rapidly approaching technological revolution. The authors deliver a compelling new exploration of how the metaverse and emerging technologies combine to define our collective future. In addition to identifying the business opportunities the book pulls back the curtain on major safety and privacy issues that will arise and the expected shifts in both our private and social spheres. In the book you'll understand how multiple industries will be changed and challenged in a 3D spatial world and how to navigate the future crypto-ladden business landscape. Legal and policy considerations necessary to build and maintain safe shared digital spaces. The economic and social impacts including the potential for our digital lives to outlive our physical selves. Actionable insights so you can make the most out of the next digital revolution. *Metaversed* is a can't miss presentation of the most significant market opportunities and societal challenges posed by the metaverse. It also will empower readers to take positive action that avoids the same online mistakes that happened on social media and create more responsible tech usage habits in our personal and professional lives.

Gaming and Extremism Linda Schlegel, Rachel Kowert, 2024-03-21 Charting the increase in the use of games for the dissemination of extremist propaganda, radicalization, recruitment, and mobilization, this book examines the gamification of extremism. Editors Linda Schlegel and Rachel Kowert bring together a range of insights from world-leading experts in the field to provide the first comprehensive overview of gaming and extremism. The potential nexus between gaming and extremism has become a key area of concern for researchers, policymakers, and practitioners seeking to prevent and counter radicalization. This book offers insights into key trends and debates, future directions, and potential prevention efforts. This includes the exploration of how games and game-adjacent spaces such as Discord, Twitch, Steam, and DLive are being leveraged by extremists for the purposes of radicalization, recruitment, and mobilization. Additionally, the book presents the latest counterterrorism techniques, surveys promising preventing counter-violent extremism (P-CVE) measures currently being utilized in the gaming sphere, and examines the ongoing challenges, controversies, and current gaps in knowledge in the field. This text will be of interest to students and scholars of gaming and gaming culture, as well as an essential resource for researchers and practitioners working in prevention and counter-extremism, professionals working at gaming-related tech companies, and policymakers. The Open Access version of this book, available at www.taylorfrancis.com, has been made available under a Creative Commons Attribution Non-Commercial No-Derivatives 4.0 license.
