Coding for Children and Young Adults in Libraries Wendy Harrop, 2018-07-15. *Coding for Children and Young Adults in Libraries* is an all-inclusive guide to teaching coding in libraries to very young learners as young as 4 or 5 years old. This book will provide all librarians, whether they are brand new to the idea of coding or fairly experienced with it, with both the foundation to understand coding and tools they can use. The book features lessons, ideas, and information about the newest and the best coding tools and templates for creating coding clubs and classes. It also provides options for all technology environments for those libraries with very few devices available to those with many to choose from. Readers will both learn the essentials for teaching coding to young kids as well as how to organize coding programming in the library. This book takes an in-depth look at what tools are available, both high tech and low, to help kids learn this important skill. Whether you're a novice or experienced in the world of coding, this book will have what you need to set up library coding clubs, help kids with game design, and even program robots.

Metaverse Investing Bilva Bhat, 2025-02-28. *Metaverse Investing: Your Complete Guide* is a comprehensive resource on navigating the burgeoning world of the Metaverse. This book provides essential insights into the potential pitfalls, including privacy violations, data breaches, limitations on freedom of speech, and the dangers of echo chambers, false news, and online bullying. We find answers to some of the most urgent questions about the future of the Internet and analyze technological ideas that will shape our lives for years to come. But what exactly is the Metaverse? According to theorist and venture capitalist Matthew Ball, the Metaverse follows in the footsteps of the mobile Internet, defined twenty years ago. It's a continuous 3D virtual realm, a network of experiences connected through devices, tools, and infrastructure, extending beyond mere reality. This groundbreaking concept is set to transform industries and jobs from

finance and healthcare to payroll consumer products and beyond The Internet will no longer be a distant entity instead it will seamlessly integrate into our daily lives work and leisure activities within the Metaverse With clarity and authority Metaverse Investing Your Complete Guide predicts billions of dollars in new value and significant social reforms making it an indispensable read for forward thinking investors and enthusiasts
