Software Engineering, Artificial Intelligence, Networking and Parallel/Distributed Computing Roger Lee, 2022-11-18 This book presents scientific results of the 23rd ACIS International Summer Virtual Conference on Software Engineering Artificial Intelligence Networking and Parallel Distributed Computing SNPD2022 Summer which was held on July 4-6 2022 at Kyoto City Japan. The aim of this conference was to bring together researchers and scientists, businessmen and entrepreneurs, teachers, engineers, computer users and students to discuss the numerous fields of computer science and to share their experiences and exchange new ideas and information in a meaningful way. Research results about all aspects, theory, applications and tools of computer and information science and to discuss the practical challenges encountered along the way and the solutions adopted to solve them. The conference organizers selected the best papers from those papers accepted for presentation at the workshop. The papers were chosen based on review scores submitted by members of the program committee and underwent further rigorous rounds of review. From this second round of review, 15 of the most promising papers are then published in this Springer SCI book and not the conference proceedings. We impatiently await the important contributions that we know these authors will bring to the field of computer and information science. *Comparative Approaches in Law and Policy* Joshua Aston, Aditya Tomer, Jane Eyre Mathew, 2023-09-13 This book encompasses areas of research like comparative constitution, transformative constitution, environmental law, family law, child rights and so on. The main theme of the book is comparative law. We intend to incorporate into this book laws pertaining to diverse fields wherein it can be compared with the laws of other countries which brings in better understanding and conceptual clarity. The book focuses on the jurisprudence of different countries which enables the readers or clientele to get a better understanding of the principles of comparative law. The book showcases the comparative law jurisprudence prevalent across the globe so as to make use of the best practices for the betterment of humanity. The Therapeutic Powers of Play Athena A. Drewes, Edward (Franc) Hudspeth, 2025-11-13 With contributions by the world's leading play therapy experts, this sumptuous teaching and learning resource gathers the most commonly used research-based play therapy theories into a single resource illustrated by using a common case study and chapter structure across all theoretical approaches. *Central and Eastern European Histories and Heritages in Video Games* Michał Mochocki, Paweł Schreiber, Jakub Majewski, Yaroslau I. Kot, 2024-10-17 This book explores the representations of Central and Eastern European histories in digital games. Focusing on games that examine a range of national histories and heritages from across Central and Eastern Europe, the volume looks beyond the diversity of the local histories depicted in games and the audience reception of these histories to show a diversity of approaches which can be used in examining historical games from postcolonialism to identity politics to heritage studies. The book includes chapters on Serbia, Poland, Ukraine, Russia, Belarus, Hungary, Estonia, Slovakia, Czechia, Finland and a Western guest with regional connections, Luxembourg. Through the lens of video games, the authors address how nations struggle with

the legacies of war colonialism and religious strife that have been a part of nation building but also how victimized cultures can survive resist and sometimes prevail Appealing primarily to scholars in the fields of game studies heritage studies postcolonial criticism and media studies this book will be particularly useful for the subfields of historical game studies and postcolonial game studies **Handbook of Research on Promoting Economic and Social Development Through Serious Games** Bernardes, Oscar, Amorim, Vanessa, 2022-03-18
