The Promotion of the Welfare and Hygiene of Maternity and Infancy Hannah Ida Curry, Katharine Potter Hewins, Martha Travilla Speakman, Mary Mather Leete, Neva Ruth Deardorff, Ruth Berolzheimer, William James Blackburn, 1927 **Uber B.** Yasanthi Perera, Pia A. Albinsson, 2020-01-16 Uber is one of the most innovative companies of our time This book provides a detailed analysis of the company and its success and goes beyond the headlines about safety and culture Many of us are so accustomed to using Uber today that the name of the innovative ride sharing company has become a verb as in to Uber somewhere and yet Uber has been around only since 2010 Uber has disrupted the ride hailing industry from making it easier and more affordable to become an Uber driver than a cab driver to rating riders as well as drivers As an early pioneer in using technology to create a new business model and new efficiencies Uber is considered one of the most important case studies in the sharing economy However little in depth information exists on this innovative company This book traces Uber's origin and evolution in the face of competitive pressures discusses the company leadership and corporate culture addresses such controversies as rider and driver safety and sexual harassment of female employees and explores how the company is addressing these challenges Students of business entrepreneurs and anyone interested in the development and exponential growth of the sharing economy will benefit from reading this book **Money and Banking** League of Nations, 1938 The Frictionless Organization Bill Price, David Jaffe, 2022-06-21 Learn how frictionless organizations cut costs grow revenue and create loyal fans by creating products and services that work so well their customers never have to contact them for the wrong reasons This book will help any customer facing organization deliver better customer experiences save money and increase revenue Veteran customer service experts Bill Price and David Jaffe coauthors of the bestseller The Best Service Is No Service explain how organizations can design products sales and support so that customer effort is reduced or better still removed This simplicity for the customer is what Price and Jaffe call frictionless The book defines a straightforward methodology drawing on more than thirty practical examples from leading companies across four continents The approach provides a radically different way for the whole business to focus on the customer experience It explains how any organization can look at all customer interactions as potential opportunities for improvement and question whether they are helpful or represent symptoms of friction Lower friction innovators are disrupting established businesses in every industry This detailed guide shows how any business from start ups to major multinational corporations can remove friction Being frictionless has become a strategic necessity and now this strategy is available to any organization *Money and Banking*, 1939 **Bulletin** Národní banka československá, 1936 Includes legislation **Bericht über die Verhältnisse des Handels, des Gewerbes und Verkehrswesens in ihrem Bezirke** Budapest (Hungary).
