*ParentPreneurs* Jamie Ratner, Brian Ratner, 2022-08-21 This fun tale is entertaining and inspiring in equal measure. Publishers Weekly Come along for the ride as Jamie and Brian Ratner show you how to build a successful business with your spouse. When Jamie Ratner pitched her new idea for a family friendly Groupon to her husband Brian on their drive to Pittsburgh for the Christmas holiday in their messy minivan Brian's response shocked her. He said That's a great idea. For the rest of their holiday while his parents watched their two young kids they worked late into the night on a business plan and timeline to launch what soon would become CertifiKID. Jamie was an entrepreneur at heart but had no business background. Brian was a partner at a Washington DC law firm whose practice was litigation not corporate law. They had no free time. The timing to start a business was far from ideal. They did it anyway. More than a decade later in *ParentPreneurs* Jamie and Brian tell their rollercoaster story of how they built a multi million dollar company through thousands of deals with small and big businesses for the benefit of their million plus members. cut a deal with Kevin O'Leary aka Mr Wonderful on the ABC television show *Shark Tank* that was one of his biggest deals in 10 seasons and navigated the Covid pandemic that sent their business to the edge of the cliff by making a risky pivot acquisition. They give an honest account from each of their own unique perspectives on the toll and rewards of mixing marriage and business at every stage. They provide tips and lessons for how to manage both maintain work life balance especially in this age of remote and flexible work and accomplish your personal and professional goals. This is a book for every entrepreneurial parent whether you're in the game or just thinking about it. It is real and uplifting and it will inspire you to rethink how you view your work and determine whether you can start or build something new that will bring you greater joy and fulfillment. Jamie and Brian show how parents can be successful entrepreneurs and entrepreneurs can be successful parents and spouses. And so can you.
