*Entrepreneurship* Chris Ehiobuche, Chizoba Madueke, 2017-02-10 The challenges and opportunities facing the Nigerian youths demand rethinking of new ways of doing things Youth unemployment and underemployment are at a record high More than ever the Nigerian youths are in dire need of finding other avenues to explore in pursuit of life endeavors Youth employment underemployment and unemployment are serious concerns for our society civilization and the nation Ehiobuche and Madueke took a different approach to discussing and presenting a practical approach to youth entrepreneurship from the

notion of a shared responsibility for the change of mindset from falling into the victims theory dimensions to intelligent ventures and resilience Their model presents insight on how a paradigm shift among the youths and the society in general from job search to business development may well lead to entrepreneurs and self productive citizens The authors hope to inspire inform and encourage todays youths to become tomorrows entrepreneurs leaders and good citizens Making the transition from seeking employment unemployment or underemployment to self employment entrepreneurship is the primary purpose of this book The topics include the following Conquering personal and cultural roadblocks to entrepreneurship Shifting mental and physical focus from employee to employer Avoiding common pitfalls in starting and running a sustainable small business Making the best out of being a youth The authors urge the Nigerian youths to avoid falling into a victim mentality and start their paradigm shift into the mindsets of entrepreneurs

**You've Been Played** Adrian Hon,2022-09-20 How games are being harnessed as instruments of exploitation and what we can do about it Warehouse workers pack boxes while a virtual dragon races across their screen If they beat their colleagues they get an award If not they can be fired Uber presents exhausted drivers with challenges to keep them driving China scores its citizens so they behave well and games with in app purchases use achievements to empty your wallet Points badges and leaderboards are creeping into every aspect of modern life In You ve Been Played game designer Adrian Hon delivers a blistering takedown of how corporations schools and governments use games and gamification as tools for profit and coercion These are games that we often have no choice but to play where losing has heavy penalties You ve Been Played is a scathing indictment of a tech driven world that wants to convince us that misery is fun and a call to arms for anyone who hopes to preserve their dignity and autonomy
