Williams,2025-08-29 Theological Discourses on Social Media will examine ten different social media platforms across three overarching parts The task throughout is first to delineate the configuration and intent of a given form of social media and second to probe its implications for theology On the whole the volume will focus on the Judeo Christian tradition though dialogue with and insight from other religious traditions will also be featured The upshot will be a unique theological engagement with the defining issue of our era a work that will be as relevant as it will be engrossing Featuring contributions from leading scholars it will be a must read for all students of theology religion and media and cultural studies    *You: For Sale* Stuart Sumner,2015-08-20 Everything we do online and increasingly in the real world is tracked logged analyzed and often packaged and sold on to the highest bidder Every time you visit a website use a credit card drive on the freeway or go past a CCTV camera you are logged and tracked Every day billions of people choose to share their details on social media which are then sold to advertisers The Edward Snowden revelations that governments including those of the US and UK have been snooping on their citizens have rocked the world But nobody seems to realize that this has already been happening for years with firms such as Google capturing everything you type into a browser and selling it to the highest bidder Apps take information about where you go and your contact book details harvest them and sell them on and people just click the EULA without caring No one is revealing the dirty secret that is the tech firms harvesting customers personal data and selling it for vast profits and people are totally unaware of the dangers *You For Sale* is for anyone who is concerned about what corporate and government invasion of privacy means now and down the road The book sets the scene by spelling out exactly what most users of the Internet and smart phones are exposing themselves to via commonly used sites and apps such as facebook and Google and then tells you what you can do to protect yourself The book also covers legal and government issues as well as future trends With interviews of leading security experts black market data traders law enforcement and privacy groups *You For Sale* will help you view your personal data in a new light and understand both its value and its danger Provides a clear picture of how companies and governments harvest and use personal data every time someone logs on Describes exactly what these firms do with the data once they have it and what you can do to stop it Learn about the dangers of unwittingly releasing private data to tech firms including interviews with top security experts black market data traders law enforcement and privacy groups Understand the legal information and future trends that make this one of the most important issues today

**What I Learned About Investing from Darwin** Pulak Prasad,2023-05-23 The investment profession is in a state of crisis The vast majority of equity fund managers are unable to beat the market over the long term which has led to massive outflows from active funds to passive funds Where should investors turn in search of a new approach Pulak Prasad offers a philosophy of patient long term investing based on an unexpected source evolutionary biology He draws key lessons from

core Darwinian concepts mixing vivid examples from the natural world with compelling stories of good and bad investing decisions including his own How can bumblebees survival strategies help us accept that we might miss out on Tesla What does an experiment in breeding tame foxes reveal about the traits of successful businesses Why might a small frog's mimicry of the croak of a larger rival shed light on the signs of corporate dishonesty Informed by successful evolutionary strategies Prasad outlines his counterintuitive principles for long term gain He provides three mantras of investing Avoid big risks buy high quality at a fair price and don't be lazy be very lazy Prasad makes a persuasive case for a strategy that rules out the vast majority of investment opportunities and advocates permanently owning high quality businesses Combining punchy prose and practical insight What I Learned About Investing from Darwin reveals why evolutionary biology can help fund managers become better at their craft

The Top Books of the Year Cash App Snapchat Discount The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels entralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Cash App Snapchat Discount : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Cash App Snapchat Discount : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
