The Price of Immortality Peter Ward, 2022-04-19 In the tradition of Jon Ronson and Tim Wu an absorbing and revelatory journey into the American Way of Defying Death As longevity medicine revolutionizes the lives of many older people the quest to take the next step to live as long as we choose has spurred a scientific arms race in search of the elixir of life funded by Big Tech and Silicon Valley Once the stuff of Mesopotamian mythology and episodes of Star Trek the effort to make humans immortal is becoming increasingly credible as the pace of technological progress quickens It has also empowered a wild eyed fringe of pseudo scientists tech visionaries scam artists and religious fanatics who have given their lives over to the pursuit of immortality Starting off at the Church of Perpetual Life in Florida and exploring the feuding subcultures around the cryonics industry Peter Ward immerses himself into an eccentric world of startups scam artists scientific institutions and tech billionaires to deliver this deeply reported nuanced and sometimes very funny exploration of the race for immortality and the potentially devastating consequences should humanity realize its ultimate dream

Science Goes Viral Dr. Joe Schwarcz, 2021-10-26 Science has gone viral In more ways than one Bestselling popular science author Dr Joe Schwarcz breaks down the science of essential oils placenta creams intermittent fasting and of course the spread of COVID 19 misinformation in this new collection from the master of demarcating non science from science Since we first heard rumblings about a novel type of pneumonia in Wuhan China terms like pandemic spike protein viral particles variants mRNA vaccines antibodies hydroxychloroquine social distancing immune response convalescent plasma aerosol transmission and of course face coverings have entered our everyday vocabulary The scientific literature has exploded with studies exploring every facet of COVID 19 but unfortunately the viral spread of misinformation about the pandemic has also reached epic proportions Science Goes Viral provides a framework for coming to grips with the

onslaught of COVID 19 information and misinformation in this ever changing pandemic Here you ll learn about the first antibodies ever identified the connection between tonic water and coronavirus and whether we can zap COVID with copper And although our thoughts and daily activities have been hijacked by the pandemic life does go on as does the pursuit of science Dr Joe features his usual array of diverse topics including biblical dyes essential oils Jean Harlow s hair Lincoln s magician and bioplastics along with assorted examples of quackery Delving into the many fascinating facets of science can serve as a welcome distraction from the COVID curse In fact enchantment with science can also be contagious Will you be infected

The Trained Nurse and Hospital Review ,1946 **Eat Fat, Get Fit** Kusha Karvandi,2017-04-30 Discover the healthy power of fullness and flavor in the important nutrient known as fat in a guide to customizing your diet by the founder of Exerscribe When you re trying to lose weight it s reasonable to want to lose body fat in specific areas You want flat abs a tighter tummy leaner legs or less flabby arms But often you re told it just isn t possible Nonsense Kusha Karvandi has seen his clients get the results they want faster than ever with a customized approach helping them become their own diet detective to find which foods work best for their body Now he shares his discoveries so you can have the body and confidence you desire The problem with the health and fitness industry is that it makes people think they re just weak and that the best way to achieve the body they want is to suck it up and push harder Reality shows exhaust participants with hours of daily exercise and extremely low calorie diets but if more is better why do the majority rebound and gain the weight back again and again The truth is you re stronger than you think It isn t that you somehow lack willpower or discipline it s that you just don t have the right heuristics yet which one of Karvandi s mentors defined as the ability to make a decision based on limited amounts of information The beauty of a heuristic is that it doesn t drain your willpower like calorie counting or fad diets may In this book he shows how to craft your own diet heuristic so you can make good eating decisions no matter where you are or how much willpower you have Though everyone has their own individual natural set point when it comes to weight our bodies were not programmed for obesity But

when we began eating unnatural processed foods vegetable oils and refined carbohydrates for example we shifted our bodies toward fat storage rather than fat burn By avoiding foods that force your body to store fat you can lose weight quickly and easily and create unstoppable momentum in your quest for fitness success CURRENT Medical Diagnosis & Treatment 2026 Maxine A.
