New Consumers in the Global South Anna Cristina Pertierra, Rosana Pinheiro-Machado, Tingting Liu, Czarina Saloma, Ahtziri Molina, 2025-10-06 In large cities of the Global South an immersion in mass consumer culture is no longer the domain of the rich This book offers a transnational examination of how global economic development has transformed consumption identity and culture among the former urban poor The book presents a wide ranging exploration of new consumer cultures of the former urban poor across four different cities Guangzhou Metro Manila Mexico City and Rio de Janeiro It aims to reorient current discussions about consumer culture and economic development and brings explorations of the cultural dimensions of globalisation and economy to a transregional scale In doing so the book contributes to interdisciplinary discussions of culture and globalisation by documenting the rise and importance of some of the world s largest and fastest growing groups of consumers

Musicking TikTok Juan Bermúdez, 2024-12-12 This ethnographic work about TikTok s musicking in a global Austrian context complements and build upon ethnomusicological assumptions theories and methods for the study of musical practices in digital spaces An overview of elements that make up TikTok s interface as well as the technical performative possibilities that it allows this book introduces a general categorization of existing performance types and how TikTokers appropriate the platform to make their music It illustrates how some TikTokers became aware of and began using TikTok and it reviews some of the different strategies TikTokers apply to learn how to use the application and successfully develop their performances Berm dez explores how performers move from being ordinary users to becoming TikTokers developing and performing an identity he calls TikTok Persona Moreover he discusses how some TikTok practices can and have occurred across multiple interconnected platforms and he examines how localities are articulated and negotiated in these contexts Berm dez argues for an understanding of musicking as a multimedia practice that different actors create and experience individually in everyday synchronous and asynchronous physical and digital situations The so called TikTokers create a sense of identity and community through their performances This study suggests that a digital performance can be aside from a representation of reality an integral part of it serving as a fundamental space for constructing and performing identity

The Mediated World David T. Z. Mindich, 2023-12-11 A full color interdisciplinary exploration of how media and mass communication shape society and how students can take control of their media futures Today s students have a world of knowledge at their fingertips and no longer need books to list names and dates What they need is the story of how everything fits together and the critical tools to take charge of their place within that story David T Z Mindich s *The Mediated World* charts the story of media as it has shaped human life and as it infuses every aspect of our modern existence Mindich s engaging narrative style focuses on concepts and real world contexts to promote the media literacy students need to understand their personal relationships with media Empowered as media consumers creators and curators students realize their responsibility to work within the vast world of media to create more
