Archaeology David Hurst Thomas, 1999 David Hurst Thomas presents a welcome alternative to the third person accounts found in archaeology texts on the market with his passionate down to earth introduction to archaeological method and theory. By including his own fieldwork among the many examples the author with a voice gives students real insights into the practice of archaeology. This text emphasizes the importance of seeking multiple perspectives and explanations to understand the past. The author's vast experience discovering and excavating hundreds of archaeological sites provides students with an exciting look at the practice of archaeology today. **Australian Government Publications** ,1971
