Native Americans Opposing Viewpoints

H.W. Wilson Company

Native Americans Opposing Viewpoints:

Native Americans William Dudley, 1998 Fulfills some or all of the national high school curriculum standards for American history and English Native American Treatment and Resistance Philip Wolny, 2017-12-15 The romantic myth of America's frontier that many people encounter in the media is only part of the story of the nation's expansion in the nineteenth century. This book illustrates the push by European settlers and the federal government ever westward and its effects on indigenous peoples. Through primary source historical images and the tragic narrative of broken treaties, relocations, and armed conflict, it brings the inspiring resistance and fight for self-determination of Native Americans into the hands of your readers. It also contextualizes these struggles with modern ones including the American Indian Movement and ongoing tribal anti-pipeline protests.

The Literary and Legal Genealogy of Native American Dispossession George Pappas, 2017-07-14 The Literary and Legal Genealogy of Native American Dispossession offers a unique interpretation of how literary and public discourses influenced three U.S. Supreme Court Rulings written by Chief Justice John Marshall with respect to Native Americans. These cases, *Johnson v. M'Intosh* (1823), *Cherokee Nation v. Georgia* (1831), and *Worcester v. Georgia* (1832), collectively known as the Marshall Trilogy, have formed the legal basis for the dispossession of indigenous populations throughout the Commonwealth. The Trilogy cases are usually approached as pure legal judgments. This book maintains, however, that it was the literary and public discourses from the early sixteenth through to the early nineteenth centuries that established a discursive tradition which in part transformed the American Indians from owners to mere occupants of their land. Exploring the literary genesis of Marshall's judgments, George Pappas draws on the work of Michel Foucault, Edward Said, and Homi Bhabha to analyse how these formative U.S. Supreme Court rulings blurred the distinction between literature and law.

Racism in America--opposing Viewpoints, 1991 Presents opposing viewpoints on racism in America and how serious this problem is Research in Education, 1971 *Indian Resilience and Rebuilding* Donald L. Fixico, 2013-10-10 *Indian Resilience and Rebuilding* provides an Indigenous view of the last one hundred years of Native history and guides readers through a century of achievements. It examines the progress that Indians have accomplished in rebuilding their nations in the 20th century, revealing how Native communities adapted to the cultural and economic pressures in modern America. Donald Fixico examines issues like land allotment, the Indian New Deal, termination, and relocation, Red Power, and self-determination, casino gaming, and repatriation. He applies ethnohistorical analysis and political economic theory to provide a multi-layered approach that ultimately shows how Native people reinvented themselves in order to rebuild their nations. Fixico identifies the tools to this empowerment, such as education, navigation within cultural systems, modern Indian leadership, and indigenized political economy. He explains how these tools helped Indian communities to rebuild their nations. Fixico constructs an Indigenous paradigm of Native ethos and reality that drives Indian modern political economies heading into the twenty-first century. This illuminating and comprehensive analysis of Native nation's resilience in the twentieth century

demonstrates how Native Americans reinvented themselves rebuilt their nations and ultimately became major forces in the United States Indian Resilience and Rebuilding redefines how modern American history can and should be told Standard Catalog for High School Libraries H.W. Wilson Company,2002 Each vol is divided into 2 parts 1st 7th ed Dictionary catalog and Classified catalog 8th 9th ed have 3rd part Directory of publishers *Native Americans* Lynn Marie Zott,Mitchell Young,2012 Each title in the highly acclaimed Opposing Viewpoints series explores a specific issue by placing expert opinions in a unique pro con format the viewpoints are selected from a wide range of highly respected and often hard to find publications The title explores issues related to Native Americans including key conflicts that still exist between the United States and tribal governments Topics covered include the impact of discrimination on Native American culture the current economic factors Each volume in the Opposing Viewpoints Series could serve as a model not only providing access to a wide diversity of opinions but also stimulating readers to do further research for group discussion and individual interest Both shrill and moderate th **Native Americans** Larry V. Parks,2002 Native American issues continue to constitute an important part of the federal government s responsibility Committed as a result of gross legal abuse against Native Americans a residue of guilt resides in most contemporary Americans minds This book addresses current issues dealing with Native Americans including Indian Law Indian Heritage and Gaming questions *Native Americans* ,1998 American Indian Tribes: Tribes and traditions : Miwok R. Kent Rasmussen,Salem Press,2000 Two volume set with brief entries for all known American Indian tribes **Native American Rights** Tamara L. Roleff,1998 An indepth and comprehensive work on the civil rights of the First Nations people primarily in the United States Includes signed articles extensive bibliography and contact information including websites of organizations for further research **The Independent American Indian Review** ,1999 **American Indian Culture and Research Journal** ,2001 **Understanding American History Through Children's Literature** Maria Perez-Stable,Mary H. Cordier,1994 Students connect with Americans of the past through quality works of fiction nonfiction biography folktale and legend American history ceases to be remote and unfamiliar and becomes the story of real individuals colonists pioneers Native Americans immigrants with diverse cultural and ethnic backgrounds This book is an excellent support for a literature based history or social studies curriculum This book closely integrates American history and children s literature by combining the best features of an annotated bibliography of children s historical literature with the best features of a teaching guide *Marxism and Native Americans* Ward Churchill,1983 In a unique format of intellectual challenge and counter challenge prominent Native Americans and Marxists debate the viability of Marxism and the prevalence of ethnocentric bias in politics culture and social theory The authors examine the status of Western notions of progress and development in the context of the practical realities faced by American Indians in their ongoing struggle for justice and self determination This dialogue offers critical insights into the nature of ecological awareness and dialectics and into the possibility of constructing a social theory that can bridge cultural

boundaries **Our Country in War and Relations with All Nations** Murat Halstead,1898 **Early Encounters--Native Americans and Europeans in New England** Warren Sears Nickerson,Delores Bird Carpenter,1994 *Children's Books in Print* R R Bowker Publishing,Bowker,1999-12 **Native Americans and Political Participation** Jerry D. Stubben,2006

Unlike other racial groups in the USA Native American tribes are political entities This volume surveys American Indian contributions to the democratic process and the political power that tribes and individual leaders have wielded ever since the first Europeans stepped on American soil

This book delves into Native Americans Opposing Viewpoints. Native Americans Opposing Viewpoints is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public.
