

NATURE FOR SALE

THE COMMONS VERSUS
COMMODITIES

Giovanna Ricoveri
Foreword by Vandana Shiva

Nature For Sale The Commons Versus Commodities

Morris Brian Morris

Nature For Sale The Commons Versus Commodities:

Nature for Sale Giovanna Ricoveri, 2013 Traces the erosion of the commons from the Industrial Revolution to today's neo-liberalism arguing that a new commons is needed today

Nature for Sale Giovanna Ricoveri, 2013-06-04 Nature for Sale uncovers the rich heritage of common ownership which existed before the dominance of capitalist property relations Giovanna Ricoveri argues that the subsistence commons of the past can be reinvented today to provide an alternative to the current destructive economic order Ricoveri outlines the distinct features of common ownership as it has existed in history cooperation sustainable use of natural resources and decision making through direct democracy In doing so she shows how it is possible to provide goods and services which are not commodities exchanged on the capitalistic market something still demonstrated today in village communities across the global South Tracing the erosion of the commons from the European enclosures at the dawn of the Industrial Revolution to the new enclosures of modern capitalism the book concludes by arguing that a new commons is needed today It will be essential reading for activists as well as students and academics in history politics economics and development studies

The Commons César Rendueles, 2023-12-01 This book provides a lucid rigorous and critical account of the commons its history and its political potentialities as well as its limitations and ambiguities In particular The Commons analyses the relations of solidarity and conflict between the commons and public welfare policies as well as the role the commons can play in the struggle against the global socioecological crisis that is threatening the very future of humanity Over the past decade various theories concepts and political projects connected to the commons have become fundamentally important for social science and numerous social movements around the world In sociology economics political science history geography the law and anthropology the study of the commons has inspired many important academic innovations In parallel community activists labour unions ecologists feminists and cooperativists have discovered in the commons a powerful and thought provoking toolkit with which to defend public services guarantee access to cultural goods organise reproductive and care work and more generally fight against commodification and ecological destruction The first two chapters analyse the dual origin of the academic rediscovery of the commons On one side from the realm of political science and economics the concept of the commons has been used to challenge the dominant paradigms founded on rational choice theory On the other from the fields of history law and anthropology analysis of the violent destruction of the commons has served to deepen our understanding of the coercive and antidemocratic processes that form the bedrock of capitalism and our current plight The third and fourth chapters examine the role that the commons can play in emancipatory political projects aiming to deepen democracy in mass industrial societies The Commons will appeal to scholars across the social sciences and academics with interests in social and political theory the environment and sustainability and political sociology

European Democratic Institutions and Administrations Francesco Merloni, Alessandra Pioggia, 2018-09-03 This book presents the results of extensive international comparative research into

the effects of the economic and financial crisis on democratic institutions and social cohesion policies The collected studies describe and analyse the measures often referred to as reforms adopted to counter the crisis and the effects of these measures It investigates three areas the impact on the functioning of institutions with respect to the relationship between representative institutions and governments and the organisational structure of administrations at national and local levels the impact that the austerity policies on public spending have on social rights and the impact on traditional instruments of public action administrative simplification public services delivering the use of common assets The general findings highlight the effect of reducing the administrative and government capacity of the democratic institutions the public sector rather than being innovative and made more effective declines offering increasingly poor public services and making bad decisions fuelling substantive or formal privatisation solutions which in turn cause further weakening

Visions of Freedom Morris Brian Morris, 2019-10-15 Every ten years notoriously eclectic thinker Brian Morris takes a year of sabbatical and launches out into another field about which he knows nothing In the 1980s it was botany in the 1990s zoology in the 2000s entomology The quintessential polymath Morris has written on his incredible breadth of interests in wide ranging essays with subjects ranging from boxing to deep ecology to new age gurus Collected here for the first time Visions of Freedom brings together all of Morris's concise yet diverse essays on politics history and ecology written since 1989 It includes book reviews letters and articles in the engaging and accessible style for which Morris is known The thinkers he deals with are as diverse as Thomas Paine to C L R James from Karl Marx to Krishnamurti from Max Weber to Naomi Klein He also delves into the canon of classic anarchist thinkers like Kropotkin Bakunin Reclus Proudhon and Flores Magnon Taking a stance against the obscurantism of contemporary academic discourse Morris's writings demonstrate an interdisciplinary approach that moves seamlessly between topics developing practical connections between scholarly debates and the pressing social ecological and political issues of our times

Selection of Reports and Papers of the House of Commons, 1836 *Making Commons Dynamic* Prateep Kumar Nayak, 2021-03-01 With an emphasis on the challenges of sustaining the commons across local to global scales Making Commons Dynamic examines the empirical basis of theorising the concepts of commonisation and decommonisation as a way to understand commons as a process and offers analytical directions for policy and practice that can potentially help maintain commons as commons in the future Focusing on commonisation decommonisation as an analytical framework useful to examine and respond to changes in the commons the chapter contributions explore how natural resources are commonised and decommonised through the influence of multi level internal and external drivers and their implications for commons governance across disparate geographical and temporal contexts It draws from a large number of geographically diverse empirical cases 20 countries in North South and Central America and South and South East Asia They involve a wide range of commons related to fisheries forests grazing wetlands coastal marine rivers and dams aquaculture wildlife tourism groundwater surface freshwater mountains small islands social movements and climate The

book is a transdisciplinary endeavour with contributions by scholars from geography history sociology anthropology political studies planning human ecology cultural and applied ecology environmental and development studies environmental science and technology public policy Indigenous tribal studies Latin American and Asian studies and environmental change and governance and authors representing the commons community NGOs and policy Contributors include academics community members NGOs practitioners and policymakers Therefore commonisation decommonisation lessons drawn from these chapters are well suited for contributing to the practice policy and theory of the commons both locally and globally Food futures: ethics, science and culture I. Anna S. Olsson, Sofia M. Araújo, M. Fátima Vieira, 2023-07-31 Food is at the centre of human existence We eat every day not only to satisfy our physical needs but also as part of cultural and social interaction Food choices and markets shape the agricultural landscape and the cities we live in Whereas what we choose to eat and feed our family is part of who we are a growing number of actors compete to influence our food habits through marketing strategies and nutritional advice And ethical considerations are coupled with every choice over food whether related to production distribution consumption food waste policy in general marketing or advice Given the variety of implications the food problem entails the construction of an inclusive society must redirect the concerns about food in the present to the imagination of future alternatives The search for innovative solutions calls for multidisciplinary critical enquiry and utopian thinking will be instrumental in that regard This book brings together work by scholars in a wide range of disciplines addressing many different topics related to food futures Topics covered include food and literature food waste food communication food policy corporate social responsibility and public procurement in food supply responsible research and innovation in food production as well as sustainability and animal ethics and welfare Official Report of the Debates of the House of Commons of the Dominion of Canada Canada. Nature For Sale The Commons Versus Commodities Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nature For Sale The Commons Versus Commodities has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nature For Sale The Commons Versus Commodities has opened up a world of possibilities. Downloading Nature For Sale The Commons Versus Commodities provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nature For Sale The Commons Versus Commodities has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nature For Sale The Commons Versus Commodities. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nature For Sale The Commons Versus Commodities. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nature For Sale The Commons Versus Commodities, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nature For Sale The Commons Versus Commodities has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Nature For Sale The Commons Versus Commodities Books

1. Where can I buy Nature For Sale The Commons Versus Commodities books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nature For Sale The Commons Versus Commodities book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Nature For Sale The Commons Versus Commodities books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Nature For Sale The Commons Versus Commodities audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
