 Public Service Commission,2003 Design Control A. C. Hall,1996 This book proposes a new way forward The need for
 negotiation requires that design goals and objectives be made explicit They should be distinguished clearly from the criteria
 for their fulfilment any advice on how they could be achieved and the legal and administrative procedures to be employed A
 new concept the design area is proposed in place of uniform land use notations Its use would enable design strategies
 including mix of uses to be shown the stated objectives to vary from place to place and variations in the degree of
 intervention to be made explicit In addition a start is made on developing a more structured language with which to express
 changes to urban form To make the plans more accessible to the negotiating parties and the general public new
 developments in technology can come to our aid **South Africa Yearbook** ,2000 **Civil Engineering** ,2002
