

"Racial reconciliation" has become a catch phrase within our culture, with everyone offering his or her own view of how this should be achieved. But what does the *Bible* have to say about this issue? *One Blood* offers the biblical view of "racial reconciliation" and answers the question "Where did the 'races' come from anyway?"

Chapter 1 — Cain's Wife

Read the introduction and Genesis 1–5. Without reading the first chapter of *One Blood*, can you answer the question, "Where did Cain get his wife?"

Now read chapter 1.

1. List the biblical passages from which we derive the idea that Adam and Eve were the first two people.
2. Why is it important to understand that Adam was the first man?
3. Who was Cain's wife?
4. When was the law against brother-sister intermarriage implemented — and why?
5. Why is it important to be able to provide an answer to the question, "Who was Cain's wife?"

Chapter 2 — Natural Selection and Speciation

1. How does "speciation" actually work against the concept of evolution (in the "molecules-to-man" sense)?
2. How do mutations work?
3. When are mutations "beneficial"?
4. Explain how "natural selection" is consistent with the biblical concept of animals reproducing "after their kind."
5. What needs to happen within the genetic code in order for evolution to occur?

Chapter 3 / Chapter 4 — Genetics and the Human Family/One Race

1. How does Darwinism provide support for racism?
2. Explain, in your own words, how the characteristics of various people groups have come about.
3. Perform the exercise suggested on page 65 regarding the genetic make-up of the parents of "Britain's most amazing twins."
4. Discuss the effects that wrong ideas about the origin of people groups have had on the spread of the gospel.
5. Research and compile creation and flood stories from other cultures. Compare and contrast these stories with the true history found in Genesis.
6. Why is Jesus called the "last Adam"?
7. Explain the creation/gospel message.
8. What are some problems with accepting secular dating methods in relation to the "race" issue?

Chapter 5 — "Interracial Marriage"

Read Genesis 9–11 and chapter 5 from *One Blood*.

1. What was God's purpose in scattering the people who were building the Tower of Babel?
2. What was the mechanism God used to disperse the people?
3. What is the biblical basis and purpose for marriage?
4. What are the biblical requirements for a Christian's potential marriage partner?
5. List some biblical examples of so-called "interracial marriages" and explain the significance of them.
6. Explain true "interracial marriage."
