Successful Business Model Transformations in Disruptive Times Thomas Rudolph, Markus Schweizer, 2024-06-17

The authors offer solutions for established corporations facing disruptive challenges. Based on extensive research and discussion, a unique management approach—the High 5 approach—has been developed to promote successful self-disruption in established corporations. At the center of this approach is the transformation of the core business. The book supports the idea of permanent self-disruption as the key to success for established players. **Successful Business Model Transformations in Disruptive Times** is aimed at the management of various industries. This book provides managers in established corporations with a theoretically sound and practical guide.
