L.

Lindsay,2005-05-26 Knowing how to post bail and get out of jail in fifteen minutes is darn handy for almost everyone For a disoriented 18 year old who s found himself in a pinch it s downright necessary College kids are na ve eager and prone to

trouble and whether they're funneling beer or fighting sweatshop labor they need to know their rights Just logging onto the university computer system for example opens a student to a host of legal questions about whether the school can monitor her email or her surfing habits or her blogs But the amount of practical legal information available to the nation's 15 million college students is extremely limited and most students don't have ready access to lawyers What they need is a handbook that will cover the issues they're likely to confront a guide that is informative easy to read and not embarrassing to have on their shelves With a retro look and a humorous approachable tone THE COLLEGE STUDENT'S GUIDE TO THE LAW provides legal explanations strategies for steering clear of problems and detailed instructions about how to deal with the authorities both educational and municipal when trouble can't be avoided The book is divided into sections for easy access to information The Law in the Classroom offers guidance on academic dishonesty grading grievances and professor student relations The Law On Campus discusses problems outside the classroom but on university turf from privacy rights whether in the dorms on a hard drive or in the Registrar's Office to interactions with campus security The Law Off Campus provides advice on dealing with legal issues that are endemic to university life such as underage drinking policies landlord tenant disputes and credit card use and abuse THE COLLEGE STUDENT'S GUIDE TO THE LAW ranks with the shower caddy the extra long twin sheet set and the mini fridge as an absolutely indispensable item for every college freshman And every returning student who might contest a grade plan a campus protest or sign an apa

The Ultimate Long-Distance Dads Guide Drs. Danny R. Andreas Msc., 2025-05-15 I've lived it myself I wrote this book to share the knowledge I wish I'd known ten years ago before I became a distance dad before the legal battles and before parental alienation began It would have saved me so much time energy sanity and money You can't always be near your child But that doesn't mean you can't still be their dad Read this book if you want to build bonds that distance legal obstacles or parental alienation can't break Own Fatherhood It Matters Today Through research and trial and error I developed strategies across many areas that actually work The close bond my child and I share today despite all the odds is living proof of that My book is filled with practical easy to follow tips you can apply right away It's not rocket science In fact you'll see much of it is just common sense Some of the things you'll learn Parent your child positively and effectively even from afar Build and keep a meaningful bond at each developmental stage Use tech and smart tricks to turn boring video calls into engaging moments Handle legal battles and parental alienation as a divorced or long distance dad Save money on legal fees travel and gifts You don't need permission to be a dad You just need the right knowledge and tools Let this guide help you become the dad your child remembers and respects no matter the circumstances
