Shank, Mark R. Lyberger, 2014-10-03 Now in a fully revised and updated 5th edition Sports Marketing A Strategic Perspective is the most authoritative comprehensive and engaging introduction to sports marketing currently available It is

the only introductory textbook to adopt a strategic approach explaining clearly how every element of the marketing process should be designed and managed from goal setting and planning to implementation and control. Covering all the key topics in the sports marketing curriculum including consumer behavior, market research, promotions, products, pricing, sponsorship, business ethics, technology, and e-marketing, the book introduces core theory and concepts, explains best practice, and surveys the rapidly changing international sports business environment. Every chapter contains extensive real world case studies and biographies of key industry figures and challenging review exercises which encourage the reader to reflect critically on their own knowledge and professional practice. The book's companion website offers additional resources for instructors and students including an instructors guide, test bank, presentation slides, and useful weblinks. **Sports Marketing: A Strategic Perspective** is an essential foundation for any sports marketing or sports business course and an invaluable reference for any sports marketing practitioner looking to improve their professional practice.

Basketball For Dummies Richard Phelps, 2000-09-28. Basketball is the most popular participatory sport in the United States. As simple as the game often seems, throwing a ball through a hoop, there are many aspects of the game that go unnoticed. But with **Basketball For Dummies**, Second Edition, you'll get the inside scoop on hoops. Whether you're a player, a fan, or a coach, **Basketball For Dummies**, Second Edition will get you better acquainted to the game so you can play it better, coach it smarter, or appreciate it more as a spectator. Former Notre Dame head coach Digger Phelps begins with the fundamentals and quickly moves up court from there. From playing a pick up game to watching March Madness on TV to the excitement of the NBA Playoffs, Phelps has come up with a game plan that shows you how to have fun with the game while you become familiar with it. By the final buzzer, you'll have pulled down pointers on how to play the game, how to look good on the court, how to coach it, how to watch it, how to strategize, and even how to talk trash on the playground. Within these pages, you'll also discover how to suit up for the court, get into basketball shape, play effective offense and defense, use signature moves from NBA greats, shoot quality free throws, join fantasy leagues, and get great stuff online. From the basics to the latest coaching drills and techniques, this friendly reference offers you expert advice on the plays, strategies, and moves on and off the court, from high school to college hoops to the WNBA and beyond.
