## **Netflix Ideas:**

**Netflix** Heidi Newbauer,2025-07-10 What started as a simple DVD rental service in 1997 became a global entertainment powerhouse Inspired by a 40 late fee Reed Hastings and Marc Randolph launched Netflix with a bold new vision a subscription based model that put viewers first In 2007 Netflix pioneered online streaming forever changing how audiences consumed content By 2013 it stepped into original programming with House of Cards setting the stage for a wave of groundbreaking shows and films Today Netflix continues to redefine entertainment bringing stories to screens across the world anytime anywhere Read on to discover the story behind Netflix s rise its game changing strategies and how it transformed the entertainment industry forever What s in a Name Where did Netflix come from The first part of the name net is short for Internet The second part flix is an alternate spelling for the slang word flicks meaning movies or films The name is the perfect blend of terms related to what the company is all about It s short catchy and easy to spell Netflix has forever changed the way people watch videos at home Its rise to the top has been fast and filled with risk even a misstep or two What started as a humble DVD by mail service has transformed into an entertainment giant shipping its billionth DVD by 2007 By 2015 more than 65 million subscribers worldwide enjoyed the company s streaming content its mail order service or both Today Netflix is woven tightly into everyday life While it didn t create the practice of binge watching it s arguably the streaming service most people think of when they hear the term In 2023 Netflix claimed more than 250 million subscribers

**A Practical Guide to Gender Diversity for Computer Science Faculty** Diana Franklin,2022-05-31 Computer science faces a continuing crisis in the lack of females pursuing and succeeding in the field Companies may suffer due to reduced product quality students suffer because educators have failed to adjust to diverse populations and future generations suffer due to a lack of role models and continued challenges in the environment In this book we draw on the latest research in sociology psychology and education to first identify why we should be striving for gender diversity beyond social justice refuting misconceptions about the differing potentials between females and males We then provide a set of practical types with brief motivations for improving your work with undergraduates taking your courses This is followed by in depth discussion of the research behind the tips presenting obstacles that females face in a number of areas Finally we provide tips for advising undergraduate independent projects or graduate students supporting female faculty and initiatives requiring action at the institutional level department or above *Intellectual Property Valuation and Innovation* Ruth

Taplin,2013-10-15 With the recent global economic crisis attitudes and practices in relation to intellectual property valuation are changing as exemplified by the dichotomy explained in this book which makes it unique While there has been a move towards global harmonisation in terms of valuation of both tangible and intangible assets that are based on innovation there is also a tendency against global harmonisation because of cultural attitudes and practices of different countries This can be seen most acutely in relation to intellectual property valuation in Asia especially East Asia which often differs from the West s

perception of valuation The book is written by experts in intellectual property valuation and innovation who are mainly practitioners covering innovators marketers accountants social innovators and business and management academics The breadth and practitioner background of most of the contributors make the material relevant to those involved in valuation economics business management accounting and finance law and maritime insurance This book takes an interdisciplinary approach that cross cuts all the above mentioned disciplines and takes the understanding of intellectual property valuation to a new level
