Our Century Jan Tuckwood,2000 Tall tales and a short history In Palm Beach County and the Treasure Coast most of the recorded history occurs in one century 1900 to 2000 Before the late 1800s only Indians and soldiers roamed the hostile wilderness south of Sebastian Inlet The U S Census of 1830 recorded just 517 people in all of South Florida and the map makers showed Lake Okeechobee as a tiny dot Nobody dared go down into that beast filled swamp to check it out But slowly the civilized world made its way to this wonderland The Jupiter Lighthouse began beaming in 1860 15 years after Florida became the 27th state in the union By 1876 the U S government had built nine houses of refuge for mariners including Gilbert s Bar on Hutchinson Island and Orange Grove in Delray Beach Gilbert s Bar is still standing the oldest building in Martin County What lured the pioneers here Why did they spend harrowing days and nights sailing and poling through narrows and swamps to get to this insect infested jungle Simple True grit and true beauty As Captain Bravo who sailed a steamer from Sebastian to Jupiter in the late 1880s would tell visitors See Lake Worth and die happy YVhen Henry Flagler arrived in 1893 he called the Lake Worth region a ver itable paradise And then he had a vision He would bring his railroad all the way down to Miami even as far as Key West And he would turn Palm Beach into the most hifalutin resort in the world The Standard Oil tycoon launched the 20th century in the Treasure Coast and Palm Beach County But he was not the most important person of the century That title goes to the millions of men and women great and small who developed a frontier into a place so desirable that today s greatest problem is what to do with all the people Our Century honors them and highlights major events of the past 100 years Dust jacket flap *Proceedings* ,1985 **Assembly** ,1988 Heritage and Hoop Skirts Paul Hardin Kapp,2022-10-26 Winner of the 2023 John Brinckerhoff Jackson Book Prize Winner of the 2023 UMW Center for Historic Preservation Book Prize Winner of the 2023 Fred B Kniffen Award from the International Society for Landscape Place Material Culture Winner of the 2023 Michael V R Thomason Book Award from the Gulf South Historical Association For over eighty years tourists have flocked to Natchez Mississippi seeking the Old South but what they encounter is invention a pageant and rewrite of history first concocted during the Great Depression In *Heritage and Hoop Skirts* How Natchez Created the Old South author Paul Hardin Kapp reveals how the women of the Natchez Garden Club saved their city created one of the first cultural tourism economies in the United States changed the Mississippi landscape through historic

preservation and fashioned elements of the Lost Cause into an industry Beginning with the first Natchez Spring Pilgrimage of Antebellum Homes in 1932 such women as Katherine Grafton Miller Roane Fleming Byrnes and Edith Wyatt Moore challenged the notion that smokestack industries were key to Natchez s prosperity These women developed a narrative of graceful living and aristocratic gentlepeople centered on grand but decaying mansions In crafting this pageantry they created a tourism magnet based on the antebellum architecture of Natchez Through their determination and political guile they enlisted New Deal programs such as the WPA Writers Project and the Historic American Buildings Survey to promote their version of the city Their work did save numerous historic buildings and employed both white and African American workers during the Depression Still the transformation of Natchez into a tourist draw came at a racial cost and further marginalized African American Natchezians By attending to the history of preservation in Natchez Kapp draws on a rich archive of images architectural documents and popular culture to explore how meaning is assigned to place and how meaning evolves over time In showing how and why the Natchez buildings of the Old South were first preserved commercialized and transformed into a brand this volume makes a much needed contribution to ongoing debates over the meaning attached to cultural patrimony
