**Top 10 Hacks for Good Sleep** Kairos Somnik,2023-03-31 Sleep is one of the most important activities of our

body It is the time when our body regenerates and our brain processes and stores what we have experienced during the day A good night's sleep is therefore crucial for our health and well-being. However, in a hectic world where we are constantly under pressure and faced with a plethora of distractions, it is often difficult to get enough sleep and to sleep deeply. This little book is designed to help you achieve better sleep. We have compiled the top ten hacks that can help you fall asleep faster, sleep deeper, and wake up refreshed and ready for the day. Each of these hacks has been proven and can help improve your sleep quality. We will refrain from unhealthy methods such as sleeping pills or crude tips like drinking alcohol before going to bed. No endless reading of countless pages. In this book, we will present these ten hacks briefly without rambling and explain why they work. We will give you practical tips and techniques that you can easily integrate into your daily life. Whether you have difficulty falling asleep, wake up frequently at night, or simply wake up tired and restless, this book can help you optimize your sleep. We hope that you will consider this book as a valuable resource that will help you get better sleep and feel better. Let's now begin to discover the top ten hacks for better sleep.

ALL in the same game and yet most people don't even realize it. Most people don't even take the time to get better at one of the most important activities there could ever be. That's precisely why at least 80% of the world population absolutely SUCK at sleeping. They SUCK at using the strategies they should. And so I did back before I learned these secrets. It took me time to learn the right secrets. It took me a lot of time and trial and errors to build the adequate field of sleep knowledge. And now I'm willing to share those secrets with you. I wrote this book for a reason. I wrote this book to show HOW you can impact your sleep and therefore your life. I wrote it to show you how you can skip the averages and go the whole way. You see, I may not know you, but I certainly know something about you. Both you and me are alike. Whether you are just getting started at the sleep of and have no idea what REM stands for or even if you are an experienced hacker with tons of tips on your repertoire, I know you don't settle for average. I know you want something better. You won't stop until you achieve the absolute best version of yourself. You won't stop until you leave the pack behind, become a true sleep hacking master. And guess what? That's precisely what we will go for on this book. Hey, I'm not saying this is easy peasy. There's a bit of learning we have to go through first. And there's a lot of UNLEARNING we have to go through. Making excuses, self-limiting beliefs, wrong methods, we will throw all that stuff AWAY and replace them with new empowering beliefs. This is absolutely key. Don't worry, I've got you covered. We'll get everything right before carry on, comprehend each and every aspect of the Art of Sleep. Yes, I said ART. What is sleep hacking if not an art? It's our way of taking care of our bodies. It's our way of expressing how much we love ourselves. I'm glad to be here to share this journey with you. My goal is simple. I will help you become the absolute BEST version of yourself. You can become The absolute BEST individual you've ever been. Sounds too difficult? It's not. I will show you how. I will take you through a step-by-step guide where you simply can't get lost. Together we will go to the roots of Sleep, Energy, Brain Power, and transform that knowledge into an incredibly journey that will forever change the way you approach life. So let's go for it. that sleep is an extremely important and active period during which many vital processes take place. Getting good sleep is vital for your well being and health. Without proper sleep your body won't be able to regulate its hormones or rest your muscles and your cortisol levels will skyrocket along with your stress. You might not know this but about half of the global population suffers from 70 different sleep disorders with more or less serious repercussions to their everyday life. Among a list of many we can find sadness, stress and drowsiness during the day, lack of energy or constant tiredness. When you are not sleeping well your body and mind are not functioning properly and this can affect your day quite a bit. The effects can vary maybe you might not be able to carry out simple tasks like getting along with others or more complex ones like working on a project with an imminent deadline. By sleeping you restore your body and mind regaining that mental and physical strength necessary to face the following day. The purpose of this book after months of research is to give you the most up to date and relevant sleep hacks discovered all around the globe to help you live a happier and better life. Here are the benefits that you will gain from reading this book: Greatly improved sleep quality while teaching your body how to sleep for the right amount of time. The elimination of all feelings of drowsiness, lack of concentration during the day. Reduced levels of Daily Stress and Anxiety. More energy than you ever dreamed of.
